OMB No. 0651-0011 (exp. 4/94)

A S S I G N M E N T

WHEREAS, we, Rodney B. Croteau, of Pullman, County of Whitman, State of Washington; Kevin D. Walker, of Pullman, County of Whitman, State of Washington; Anne N.M.M. Schoendorf, of Pullman, County of Whitman, State of Washington; and Mark R. Wildung, of Colfax, County of Whitman, State of Washington have invented a certain invention, entitled TRANSACYLASES OF THE PACLITAXEL BIOSYNTHETIC PATHWAY, for which we are making application for Letters Patent of the United States, said application having been executed by us on the 1 day of December, 1999; and

WHEREAS, Washington State University Research Foundation, a corporation organized under the laws of the State of Washington, having a place of business at NE 1615 Eastgate Blvd., Pullman, Washington, desires to acquire an interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, Rodney B. Croteau, Kevin D. Walker, Anne N.M.N. Schoendorf and Mark R. Wildung hereby sell, assign and transfer to Washington State University Research Foundation, the full and exclusive right, title and interest in and to said invention, patent application and patent rights throughout the world, including foreign patent priority rights, the right to file and prosecute International Applications under the Patent Cooperation Treaty, and the right to file and prosecute applications under the European Patent Convention; said invention, application and letters patent in this or any foreign country, and all divisions, continuations, reissues and extensions thereof, to be held and enjoyed by Washington State University Research Foundation, for its own use and benefit, and for its successors and assigns to

the full end of the term for which letters patent may be granted in this or any foreign country, as fully and entirely as the same would have been held by me had this assignment and sale not been made, and covenant that we have full right so to do, and agree that we will communicate to Washington State University Research Foundation, or its successors and assigns, any facts known to us respecting said invention, and testify in any legal proceeding, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths, and do everything possible to aid Washington State University Research Foundation, its successors and assigns to obtain and enforce proper patent protection for said invention in this or any foreign country.

Executed at the place and date opposite our respective signatures below.
