ASSIGNMENT

WHEREAS, we, Michael A. Neider and Nathan M. Sargent, citizens of the United States of America, and residents of Sandy, County of Salt Lake, and Coalville, County of Summit, State of Utah, respectively, and employees of Miro Industries, Inc., a Corporation of the State of Utah, whose principal offices are located at Parkway Industrial Park, 586 West 8360 South, Sandy, Utah 84070, have invented a certain new and useful invention and ornamental design entitled

ROOF TOP PIPE SUPPORT

the ornamental design of which is illustrated, described and claimed in the application for United States Design Patent executed by us concurrently herewith, and

WHEREAS, said Miro Industries, Inc., is desirous of acquiring the entire right, title, and interest in and to said invention and design, said application for United States Design Patent, and any Design Patent which may be granted on said invention;

NOW, THEREFORE, for and in consideration of our said employment by Miro Industries, Inc. and of other good and valuable consideration, receipt of which is hereby acknowledged, we, Michael A. Neider and Nathan M. Sargent, by these presents do sell, assign,

and transfer to the said Miro Industries, Inc. our entire right, title and interest in and to the invention and the said ornamental design for the United States of America, its territories and possessions, and for all foreign countries, in and to the application for design patent, including any divisional, substitute, or continuation application which may grow out of or replace the said application for design patent, in and to any Design Patent issuing from the said application or applications and any reissues or extensions of said Design Patent, and in and to all rights of priority thereto pursuant to the International Convention for the Protection of Industrial Property; the invention, ornamental design, application or applications, Design Patent, and any reissues or extensions thereof to be held and enjoyed by the said Miro Industries, Inc. for its own use and behoof and for its legal representatives, successors, or assigns, to the full end of the term or terms for which said Design Patent and any reissues or extensions thereof may be granted, as fully and entirely as the same would have been held by us had this assignment and sale not been made.

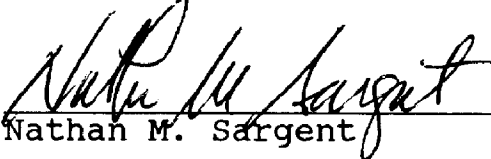

And we covenant and agree that, at the request of the said Miro Industries, Inc., its legal representatives, successors, or assigns, we will, without demanding any further consideration therefor and without expense to us do all lawful and just acts,

including the execution and acknowledgement of instruments which may be or may become necessary for sustaining, reissuing or extending said Design Patent for said ornamental design, and for maintaining and perfecting the said Miro Industries Inc.'s right to the invention, ornamental design, and Design Patent and will testify in cases of interference and litigation when requested to do so by the said Miro Industries, Inc.

Executed this 16th day of December, 1999.

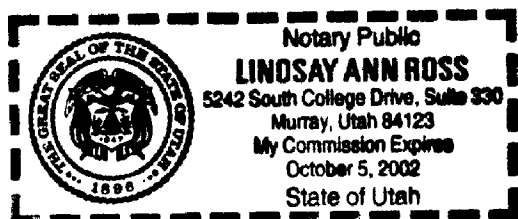

Michael A. Neider
