ASSIGNMENT

WHEREAS, we, **Zongde Lin** and **Dongjie Huang**, both citizens of the **Peoples Republic of China**, have invented certain new and useful improvements disclosed in an application for United States Letters Patent entitled "**Optimization of Radio Receiver Uplink Power Window**" (Application No. _____, filed December 16, 1999), said application having been executed concurrently herewith;

WHEREAS, **Ericsson Inc.**, a corporation of the State of Delaware, having a place of business at 740 E. Campbell Rd., Richardson, Texas 75081 (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring my entire right, title and interest in and to the invention(s) disclosed in said application, and in and to the said application and any Letters Patent that may issue thereon;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, the full and exclusive right, title and interest in and to said invention and in and to said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof. we hereby authorize any party having Power of Attorney to prosecute said application to insert in the parenthesis above the application number and filing date of said application, when known; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as my interest is concerned, to the said ASSIGNEE of my entire right, title and interest.

We also hereby sell and assign to said ASSIGNEE, its successors, assigns and legal representatives the full and exclusive rights, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and we further agree to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such rights, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

We hereby further agree that we will communicate to said ASSIGNEE, or to its successors, assigns and legal representatives, and facts know to me respecting any improvements; and, at the expense of said ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, and make all lawful oaths, and generally do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, it's successors, assigns and legal representatives, to obtain and enforce proper protection for said invention in all countries.

IN WITNESS WHEREOF, we have hereunto set our signatures.
