A S S I G N M E N T

In consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, the undersigned:

Oded E. Sturman; Benjamin Grill

hereby sell, assign, and transfer to:

Sturman BG, LLC

a Colorado limited liability company having a principal place of business at: One Innovation Way, Woodland Park, Colorado 80863 ("Assignee"), and its successors, assigns and legal representatives, the entire right, title and interest for the United States and all foreign countries, in and to any and all inventions and improvements which are disclosed in United States Letters Patent No. 5,960,813, which issued on October 5, 1999, and is entitled:

SOLAR POWERED PROGRAMMABLE VALVE AND METHODS OF OPERATION THEREOF

and in and to said Letters Patent and all divisional, continuing, substitute, renewal, reissue, and all other applications for Letters Patent which have been or shall be filed in the United States and all foreign countries on any of said inventions and improvements; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions and improvements; and in and to all rights of priority resulting from the filing of the United States application resulting in said Letters Patent; and in and to all accrued causes of action for damages for infringement of all such original and reissued patents;

agree that said Assignee may apply for and receive Letters Patent for said inventions and improvements in its own name; and that, when requested, without charge to, but at the expense of, said Assignee, its successors, assigns and legal representatives, to carry out in good faith the intent and purpose of this Assignment, the undersigned will execute all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions and improvements; execute all rightful oaths, assignments, powers of attorney and other papers; communicate to said Assignee, its successors, assigns, and representatives, all facts known to the undersigned relating to said inventions and improvements and the history thereof; and generally do everything possible which said Assignee, its successors, assigns or representatives shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and improvements and for vesting title to said inventions and improvements and all applications for patents and all patents on said inventions and improvements, in said Assignee, its successors, assigns and legal representatives; and

covenant with said Assignee, its successors, assigns and legal representatives that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by the undersigned, and that full right to convey the same as herein expressed is possessed by the undersigned.
