Now therefore, in consideration of the sum of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which I hereby acknowledged, I, the said Assignor, have bargained, sold, assigned, transferred and set over, and by these presents do hereby bargain, sell, assign, transfer and set over unto the Assignee, its successors and assigns the entire right, title and interest in and to said application for Letters Patent and the invention therein disclosed, described or claimed and in and to any and all Letters Patents of the United States of America or other countries which may be granted for any thereof, and all reissues, divisions, continuations, extensions, and renewals of any such Letters Patent, the same to be held and enjoyed by the Assignee for its own use and behoof and for use and behoof of its successors, assigns or other legal representatives to the full end of the term or terms for which any said Letters Patent may be granted, reissued, divided, continued, extended or renewed, as fully and entirely as the same would have been held and enjoyed by me if this sale and assignment had not been made.
