# ASSIGNMENT OF PATENTS

In consideration of the sum of one dollar (\$1.00) and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Nupro Company, an Ohio corporation ("Assignor"), hereby sells, transfers and assigns to Swagelok Company, an Ohio corporation with its principal place of business in Solon, Ohio, ("Assignee"), its successors, assigns or other legal representatives, its entire rights, title and interest, in and to the following Letters Patents and Patent Applications listed in Appendix A and the inventions covered by and disclosed in said Letters Patents and Applications, all original, reissued and reexamination patents granted therefor, and all divisions and continuations thereof, including the subject matter of any and all claims which may be obtained in such patents or applications, and rights to apply for and obtain any patents therefor in other countries, the same to be held and enjoyed by Assignee, for its own use and benefit and for the use and benefit of its successors, assigns or other legal representatives to the full end of the term for which said Letters Patents are granted, as full and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made. Assignor covenants that it has the full right to convey the entire interest assigned herein, and that it has not executed and will not execute any agreement in conflict herewith.

Assignor, its successors, assigns or other legal representatives, further sells, transfers and assigns to Assignee, any and all claims for damages by reason of past and continuing infringement of said Letters Patents, and the right to sue for and collect the same for its own use and benefit and that of its successors, assigns or other legal representatives.

In Witness Whereof, Assignor has executed this Assignment as of this 28<sup>th</sup> day of December, 1999.
