

ASSIGNMENT

WHEREAS, we, Bryan W. Delashaw of 8554 Clearcreek Circle, Frisco, Texas 75034, and Louis D. Heilaneh of 1308 Colby Drive, Lewisville, Texas 75067, have invented a certain new, original and ornamental design for an EXTERIOR SURFACE CONFIGURATION OF A BATTERY BOX FAIRING FOR A TRUCK for which we are about to make application for United States Letters Patent, the said application having been executed by us on

the 19 day of JAN, 2000, and
the 19 day of JANUARY, 2000, respectively,

and which is identified by Attorney Docket No. 12204/06301; and

WHEREAS, PACCAR INC (hereinafter referred to as "ASSIGNEE"), a corporation of the State of Delaware, having a business address of 777 106th Avenue, N.E., Bellevue, Washington 98004, is desirous of acquiring the entire interest in said invention in the United States and throughout the world, in said patent application, and in the Letters Patent to be granted therefor in the United States and all foreign countries, including all divisions, renewals, reissues, and extensions thereof;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00), as well as for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, we do hereby sell, assign and transfer unto said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest in and to said invention in the United States and in and to said application and all patents which may be granted therefor, and all divisions, reissues, substitutions, continuations, continuations-in-part and extensions thereof; and we hereby authorize and request the Commissioner of Patents and Trademarks to issue all patents for said invention, or patents resulting therefrom, insofar as our interest is concerned, to the said ASSIGNEE of our entire right, title and interest.

We also hereby sell and assign to said ASSIGNEE, its successors, assigns and legal representatives, our entire right, title and interest to the invention disclosed in said application throughout the world, including the right to file applications and obtain patents, utility models, industrial models and designs for said invention in its own name throughout the world including all rights of priority, all rights to publish cautionary notices reserving ownership of said invention and all rights to register said invention in appropriate registries; and we further agree, when requested, without charge to but at the expense of said ASSIGNEE, to execute any and all powers of attorney, applications, assignments, declarations, affidavits, and any other papers in connection therewith necessary to perfect such right, title and interest in ASSIGNEE, its successors, assigns and legal representatives.

We also covenant that no assignment, sales agreement, or encumbrance has been or will be made or entered into which would conflict with this assignment and sale.

We hereby further agree that we will communicate to said ASSIGNEE, or to its successors, assigns and legal representatives, any facts known to us respecting any improvements; and, when requested, without charge to but at the expense of said ASSIGNEE, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, continuation-in-part, reissue and substitute applications, make all lawful oaths, and generally do everything possible to vest title in said ASSIGNEE and to aid said ASSIGNEE, its successors, assigns and legal representatives to obtain and enforce proper protection for said invention in all countries.

IN WITNESS WHEREOF, I have hereunto set my hand this 19 day of JANUARY, 2000.
