ASSIGNMENT AND AGREEMENT

For value received, we Gordon Burns of West Lafayette in the County of Tippecanoe State of Indiana, John Voisine of Lafayette in the County of Tippecanoe State of Indiana, John Junker of Lafayette in the County of Tippecanoe State of Indiana, Jeff Kotowski of Nevada City in the County of Nevada State of California, Richard Davis of Aliso Viejo in the County of Orange State of California, and Javier Adame of Walchwill Switzerland, do hereby sell, assign and transfer to Landis & Gyr Utilities Services, Inc., a corporation of the State of Indiana, having an office at 3601 Sagamore Parkway North, Lafayette, Indiana 47904 and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to WATT HOUR METER WITH DIGITAL PER-PHASE POWER FACTOR COMPENSATION described in an application for Letters Patent, Serial No. 08/904,706 filed in the United States Patent and Trademark Office on August 1, 1997, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to Landis & Gyr Utilities Services, Inc. the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Landis & Gyr Utilities Services, Inc. to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Landis & Gyr Utilities Services, Inc. to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Landis & Gyr Utilities Services, Inc. in the United States and in all countries foreign to the United States, or to such nominees as Landis & Gyr Utilities Services, Inc. Corporation may designate.

We agree that, when requested, we shall, without charge to Landis & Gyr Utilities Services, Inc., but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.
