BP Amoco Corporation

Chicago, Illinois, United States of America

Whereas I,

Inventor	<u>Michael Wreschinsky</u>
Post Office Address	<u>20 Winrock Road</u>
Residence	<u>Montgomery, Illinois 60538</u>

have invented certain new and useful improvements in

MELT PROCESSING OF AN ELASTOMERIC OLEFIN POLYMER

identified as Wreschinsky Case 36,027

Attorney Docket No. 36,027

and described in an application for patent in the United States of America identified above and executed by me, respectively; and

Whereas, **BP Amoco Corporation**, a corporation duly organized and existing under the laws of the State of Indiana, U.S.A., and having a principal office and place of business at Chicago, Illinois, U.S.A., desires to record a specific assignment to the entire right, title and interest in and to the above-identified invention or inventions, and in and to any Letters Patent therefor in the United States of America and countries foreign thereto;

Now therefore, in consideration of Ten Dollars (\$10.00) and other good and valuable consideration by me received, the receipt of which is hereby acknowledged, I have sold and assigned, and hereby do sell and assign, to **BP Amoco Corporation**, its successors and assigns, the entire right, title and interest (a) in the above-identified invention or inventions and all improvements and modifications thereof, (b) in the above-identified application, all provisional and non-provisional applications for patent upon which the above-identified application claims benefit, and all other applications for patent of the United States of America and countries foreign thereto for the above-identified invention or inventions and all improvements and modifications thereof, (c) in all Letters Patent which may issue from said applications in the United States of America and countries foreign thereto, and (d) in all divisions, reissues, continuations, conversions, and extensions of said applications and Letters Patent; and covenant I have the full right so to do; and I hereby authorize and request the Commissioner of Patents and Trademarks to issue all United States Letters Patent on the invention or inventions included herein to **BP Amoco Corporation** as assignee of the entire interest.

I further agree that I shall communicate to **BP Amoco Corporation**, its successors and assigns, or their representatives or agents all facts and information known or available to me relating to said invention or inventions, improvements and modifications including evidence for interference, reexamination, reissue, opposition, revocation, conversion, extension, or infringement purposes or other legal, judicial or administrative proceedings, whenever requested; testify in person or by affidavit as required by **BP Amoco Corporation**, its successors and assigns, in any such proceeding in the United

States of America or a country foreign thereto; execute and deliver, on request, all lawful papers including, but not limited to, original, provisional, non-provisional, divisional, continuation, continuation-in-part, and reissue applications, renewals, assignments, powers of attorney, oaths, affidavits, declarations, and depositions; and provide all reasonable assistance to **BP Amoco Corporation**, its successors and assigns, in obtaining and enforcing proper protection for said invention or inventions, improvements and modifications under the intellectual property laws of the United States of America and countries foreign thereto.

In testimony whereof, I have hereunto set my hand and seal, respectively, on the date set after my signature.
