## ASSIGNMENT

For valuable consideration, the receipt and adequacy of which is hereby acknowledged, I, Marlys Hammond, of 85 Sullivan Road, Salem, Connecticut 06420, United States of America, hereby sell, assign and transfer unto PFIZER INC., a corporation organized and existing under the laws of the State of Delaware, United States of America, and having its principal place of business at 235 East 42nd Street, New York, New York 10017, United States of America, my entire right, title and interest, except as limited herein below, in and to provisional patent application of the United States of America, having PFIZER INC. Docket No. PC10026A, and entitled Neuropeptide Y Antagonists; and my entire right, title and interest, in the United States of America, in and to all my inventions, whether joint or sole, disclosed in said provisional patent application;

and I hereby sell, assign and transfer unto PFIZER PRODUCTS INC., a corporation organized and existing under the laws of the State of Connecticut, United States of America, and having its place of business at Eastern Point Road, Groton, Connecticut 06340, United States of America, my entire right, title and interest, in all countries of the world except the United States of America, in and to all my inventions, whether joint or sole, disclosed in said provisional patent application; and the right to claim priority from said provisional patent application under the Paris Convention for the Protection of Industrial Property, and under any and all other such treaties and agreements to which the United States of America is a party and which afford similar priority-claiming privileges, in all countries of the world except the United States of America;

and I hereby agree, whenever requested, to communicate to said PFIZER INC. and said PFIZER PRODUCTS INC., and their successors and assigns, any facts known to me respecting said inventions, to testify in any legal proceeding respecting said inventions, and to execute all applications or papers necessary to

obtain and maintain proper patent protection on said inventions in all countries of the world.

Signed and witnessed this 18<sup>th</sup> day of January, 2000, at  
Groton, Connecticut.
