NOW, THEREFORE, for and in consideration of the sum of One Dollar (\$1.00) by the ASSIGNEE to me paid, and other valuable consideration, the receipt and legal sufficiency of all of which is hereby acknowledged, I, the ASSIGNOR, have sold and do hereby sell, assign, transfer and set over unto the ASSIGNEE, and the ASSIGNEE'S successors and assigns, the entire right, title and interest in and to the inventions and all improvements thereon, in and to the application for Letters Patent thereon, in and to applications pertaining to or based upon the inventions and applications, including divisional and continuing applications and continuations-in-part, and in and to any and all Letters Patent which may be granted and issued on the inventions and applications, or any of them, not only for, to and in the United States of America, its territories and possessions, but for, to and in all countries and patent authorities and agencies foreign thereto, together with and including all priority rights based upon any and all applications in the United States of America covered by this Assignment.

ASSIGNOR also represents and warrants to ASSIGNEE that ASSIGNOR has been and continued to be, up to the assignment of these rights from ASSIGNOR to ASSIGNEE, the sole owner of the entire right, title and interest in and to the inventions, applications and Letters Patent to be granted and issued thereon, and has the full authority to make this Assignment; that the inventions, applications and Letters Patent to be granted and issued thereon have not heretofore been pledged, hypothecated or otherwise encumbered, and is in all respects free and clear; that the validity of the inventions, applications and Letters Patent to be granted and issued thereon have never been questioned; and that ASSIGNOR will not and has not entered into any contract or made any commitment that will or may impair ASSIGNEE'S rights hereunder.
