ASSIGNMENT

IN CONSIDERATION of the sum of One Dollar (\$1.00) to me in hand paid, and for other good and valuable consideration, receipt and sufficiency of which I hereby acknowledge, I, Bo ANDERSSON, residing at OXIE, Sweden believing myself to be the sole inventor of the inventions, discoveries and improvements set forth and described in my application for United States Letters Patent Serial No. 09/451,007 filed November 29, 1999 and entitled

AROMATISED FOOD PACKAGE

and warranting that I have not granted or agreed to grant to others any assignment, license, mortgage, or other rights or encumbrances in conflict herewith, and in fulfillment of my obligation to make this assignment, do hereby assign, transfer and set over unto

NESTEC S.A., a corporation organised and existing under the laws of the Swiss Confederation, residing at Avenue Nestlé 55, VEVEY, Switzerland,

its successors, assigns, legal representatives and nominees, the entire right, title and interest in and to said application, and all inventions, discoveries and improvements set forth and described therein, throughout the world, together with any and all other applications and patents therefor in the United States of America and all other countries now or in the future, and all divisions, continuations, continuations-in-part, substitutions, reissues, and extensions thereof and all rights to obtain patents thereon, as well as the right to apply for and obtain letters patent throughout the world, including the right to claim priority of said applications under and have full benefit of all applicable laws, treaties and international conventions, including specifically the Paris Convention for the Protection of Industrial Property.

And I hereby covenant and agree that I will communicate to said assignee, its successors, assigns, legal representatives and nominees, all facts known to me respecting said inventions, discoveries and improvements, and will, upon its or their request at any time, but without expense to me, sign all lawful papers, execute all original, divisional, continuation, continuation-in-part, substitute, and reissue applications and extensions for the United States of America and all other countries and assignments thereof, make all rightful oaths, testify as to facts relating to said inventions, discoveries and improvements in any legal or administrative proceedings, and generally do everything reasonable and proper to aid said assignee, its successors, assigns, legal representatives and nominees to receive proper protection for said inventions, discoveries and improvements in all countries.

This assignment is governed by the laws of the Swiss Confederation.

IN WITNESS WHEREOF, I have executed these presents.
