☐ an application for a Patent of the United States was filed on _____
and given Application Serial No. _____

and WHEREAS, B&M Jewelry, Inc. (NY Corporation)
having a place of business at 45 West 45th Street, New York, New York 10036, U.S.A.

ASSIGNEE is desirous of obtaining the entire right, title and interest in, to and under the said invention
and the said application.

NOW, THEREFORE, in consideration of the sum of One Dollar (\$1.00) to me in hand paid, and
other good and valuable consideration, the receipt of which is hereby acknowledged, the said
ASSIGNOR has sold, assigned, transferred and set over, and by these presents does hereby sell, assign,
transfer and set over, unto the said ASSIGNEE, its successors, legal representatives and assigns, the
entire right, title and interest in, to and under the said invention, and the said United States application,
and all divisions, renewals and continuations thereof, and all Patents of the United States which may be
granted thereon and all reissues and extensions thereof; and all applications for industrial property
protection, including, without limitation, all applications for patents, utility models, and designs which
may hereafter be filed for said invention in any country or countries foreign to the United States, together
with the right to file such applications and the right to claim for the same the priority rights derived from
said United States application under the Patent Laws of the United States, the International Convention
for the Protection of Industrial Property, or any other international agreement or the domestic laws of the
country in which any such application is filed, as may be applicable; and all forms of industrial property
protection, including, without limitation, patents, utility models, inventor's certificates and designs which
may be granted for said invention in any country or countries foreign to the United States and all
extensions, renewals and reissues thereof;

ASSIGNOR authorizes and requests the Commissioner of Patents and Trademarks of the United
States, and any Official of any country or countries foreign to the United States, whose duty it is to issue
patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue
the same to the said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the
terms of this instrument; and

ASSIGNOR covenants and agrees that he has full right to convey the entire interest herein
assigned, and has not executed, and will not execute, any agreement in conflict herewith; and

ASSIGNOR further covenants and agrees that he will communicate to the said ASSIGNEE, its
successors, legal representatives and assigns, any facts known respecting said invention, and testify in
any legal proceeding, sign all lawful papers, execute all divisional, continuing, reissue and foreign
applications, make all rightful oaths, and generally do everything possible to aid the said ASSIGNEE, its
successors, legal representatives and assigns, to obtain and enforce proper protection for said invention in
all countries.
