ASSIGNMENT NUNC PRO TUNC

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, I the undersigned DAVID W. YESAIR hereby

Sell, assign and transfer to BIOMOLECULAR PRODUCTS, INC., a Massachusetts corporation having a place of business at 136 Main Street, P.O. Box 347, Byfield, MA 01922, its successors, assigns and legal representatives, all hereinafter referred to as the Assignee, my entire right, title and interest, *nunc pro tunc*, as of December 1, 1998, for the United States and all foreign countries, in and to any and all inventions which are disclosed in the application for United States Letters Patent filed in the United States Patent and Trademark Office on June 30, 1992 under Serial No. 07/908,442, entitled MIXED LIPID-BICARBONATE COLLOIDAL PARTICLES and issued as U.S. Patent 5,314,921, and in and to said application and all divisional, continuing, substitute, renewal, reissue and all other applications for Letters Patents which have been or shall be filed in the United States and all foreign countries on any of said inventions; and in and to all original and reissued patents which have been or shall be issued in the United States and all foreign countries on said inventions including the right to apply for patent rights in each foreign country and all rights to priority.

I agree that said Assignee may apply for and receive a Letters Patent for said inventions in its own name; and when requested, without charge to, but at the expense of, said Assignee, I agree to carry out in good faith the intent and purpose of this assignment, by executing all divisional, continuing, substitute, renewal, reissue, and all other patent applications on any and all said inventions, by executing all rightful oaths, assignments, powers of attorney and other papers, by communicating to said Assignee all facts known to me relating to said inventions and the history thereof, and generally by doing everything possible which said Assignee shall consider desirable for aiding in securing and maintaining proper patent protection for said inventions and for vesting title to said inventions and all applications for patents and all patents on said inventions, in said Assignee.

I hereby request the Honorable Commissioner of Patents and Trademarks to issue said Letters Patent to said Assignee.

I covenant with said Assignee that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by me and that full right to convey the same as herein expressed is possessed by me.
