ASSIGNMENT AND AGREEMENT

For value received, we, **Hamsa A. P. Thota**, of St. Simons Island in the County of Glynn and State of Georgia and **Timothy A. Falken**, of St. Simons Island in the County of Glynn and State of Georgia, hereby sell, assign, and transfer to Rich SeaPak Corporation, a corporation of the State of Georgia, having an office at McKinnon Airport Road, St. Simons Island, Georgia 31522, U.S.A., and its successors, assigns, and legal representatives, the entire right, title, and interest in and to certain inventions related to **Apparatus and Method for Sealing a Filled Dough Product** described in an application for Letters Patent of the United States, executed by us of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and we also concurrently hereby sell, assign, and transfer to Rich SeaPak Corporation the entire right, title, and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

We authorize Rich SeaPak Corporation to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from us, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of Rich SeaPak Corporation to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

We request that any and all patents for said inventions be issued to Rich SeaPak Corporation in the United States and in all countries foreign to the United States, or to such nominees as Rich SeaPak Corporation may designate.

We agree that, when requested, we shall without charge to Rich SeaPak Corporation but at its expense, sign all papers, and do all acts which may be necessary, desirable, or convenient in connection with said applications, patents, or other forms of protection.
