Date Inventors Executed Declaration: _____

Contractor: WRIGHT STATE UNIVERSITY

Contract Number: F33615-95-C-1619

Contractor's Invention No.: _____

Air Force Invention No.: AF Inv D00285

The undersigned Inventors in recognition of their obligation as employees of the Contractor to assign inventions to the Contractor, and pursuant to the obligations of the Contractor to the Government of the United States under the above contract, hereby assign to the United States of America, as represented by the Secretary of the Air Force, their entire right, title, and interest throughout the world in and to each invention disclosed and claimed in the above U.S. patent application, made jointly with Charles L.A. Cerny, Christopher A. Bozada, John L. Ebel, James K. Gillespie, Charles K. Havasy, Kenichi Nakano, Carl I. Pettiford, Tony K. Quach and James S. Sewell, employees of the United States Government, and any substitution, division, continuation-in-part, or continuation of such patent application, subject to the reservation to the Contractor of any license to which the Contractor may be entitled under the above contract.

The Inventors agree to assist the Contractor and the Government, upon request, by furnishing any available information and documents, performing all acts, and doing all things which may be reasonably necessary to prepare, file and prosecute such applications and make this assignment effective.

The Contractor joins in and agrees to this assignment and, except for the reservation of any license under the above contract, relinquishes and assigns to the United States of America as represented by the Secretary of the Air Force their entire right, title, and interest throughout the world in and to such inventions, and further agrees to furnish to the Government, upon request, any available information and documents necessary for the preparation, filing, and prosecution of such applications, for patent.
