A S S I G N M E N T

Whereas, I, Andrew J. Dosmann

residing at 50607 Cherry Road, Granger

County of St. Joseph and State of Indiana

have made a certain new and useful invention in

OPTICAL VOLUME SENSOR

for which I am about to make application for Letters Patent of the United States, which application was duly executed by me this day; and

WHEREAS, I am the sole owner of the entire right, title and interest in and to said invention and said application; and

WHEREAS, BAYER CORPORATION, a corporation duly organized under the laws of the State of Indiana, and doing business at Elkhart, in the State of Indiana, is desirous of acquiring all the right, title and interest which I have or may have in and to said invention and application, including any continuation and any division of said application, and any Letters Patent of the United States and of foreign countries that may be granted for said invention, and any reissue, and any extension of any such Letters Patent;

NOW, THEREFORE, to all whom it may concern:

Be it known that, for and in consideration of the sum of One Dollar (\$1.00) lawful money of the United States, to me paid, the receipt of which is hereby acknowledged, and for other good and valuable considerations, the receipt, sufficiency and adequacy of

which are hereby acknowledged, I have agreed to and do hereby sell, assign, transfer and set over unto the said BAYER CORPORATION, the entire right, title and interest which I have or may have in and to said invention and application including any continuation and any division of said application, and to all improvements which are disclosed therein; and in and to any and all Letters Patent of the United States and of foreign countries and any reissues and extensions of said Letters Patent which have been or may be granted on said application or on any divisional, continuation (in whole or in part), reissue, extension, or other or further application based in whole or in part upon said invention or said improvements, including the right to file foreign applications under the provisions of any convention or treaty, and specifically the International Convention; the same to be held and enjoyed by the said BAYER CORPORATION, its successors, legal representatives and assigns, as fully and exclusively as the same would have been held and enjoyed by us if this assignment and sale had not been made; and I hereby covenant and warrant that I have the full right to convey the entire interest herein assigned, and that I have not executed and will not execute any instrument purporting to convey, mortgage, lease, or otherwise transfer, all or any part of said entire interest to anyone other than the said BAYER CORPORATION, its successors, legal representatives and assigns.

For the above recited considerations, I also hereby covenant and agree for myself and for my heirs, executors and administrators that I will, at the request and expense of the said BAYER CORPORATION, its successors, legal representatives and assigns, execute and deliver, without further consideration, any and all further applications, assignments and documents, and

perform such other acts as I lawfully may, that may be deemed necessary by the said BAYER CORPORATION, its successors, legal representatives and assigns, fully to secure its interest as aforesaid and to obtain or maintain Letters Patent in any and all countries.

I hereby authorize and request the Commissioner of Patents of the United States to issue any and all Letters Patent which may be granted upon any of the aforesaid applications to the said BAYER CORPORATION, as the assignee of the entire interest therein.

IN WITNESS WHEREOF, I have hereunto set my hand and seal this 7 day of March, ~~XIX~~ 2000.

Andrew J. Dosmann
