Docket No. 1109-93

ASSIGNMENT

John I. Ykema, the undersigned, is the inventor of an invention for which a United States patent is sought pursuant to a United States patent application filed and having the title as indicated above.

SPD Technologies Inc. a Delaware corporation having a principal place of business at and a mailing address of 13500 Roosevelt Boulevard, Philadelphia, Pennsylvania, 19116 (hereinafter referred to as "SPD") is desirous of acquiring the entire right, title and interest in and to such invention, all patent applications relating thereto including the above-referenced United States patent application, and all letters patent issuing for the invention anywhere in the world.

In consideration of One Dollar (\$1.00) and of other good and valuable consideration, receipt of which is hereby acknowledged, the undersigned, intending to be legally bound, does hereby sell,

assign and transfer to SPD the entire right, title and interest for the United States of America, its territories and possessions, and all foreign countries, in and to the invention and all patent applications therefor, including the patent application referenced above, all divisions and continuations of such patent applications, all rights to claim priority, all rights to file foreign patent applications for the invention, and all letters patent and reissues thereof for the invention in the United States of America and in all foreign countries.

The undersigned acknowledges being legally bound to supply, upon request of SPD or its successors or assigns or a legal representative thereof, all information and evidence of which the undersigned has knowledge or possession, relating to the making and practice of the invention, to testify in any legal proceeding relating thereto, to execute all instruments proper to patent the invention in the United States of America and foreign countries in the name of SPD, and to execute all instruments reasonably necessary to carry out the intent of this instrument of assignment.

The rights and property herein conveyed by the undersigned are
free and clear of any encumbrance.

John I. Ykema
