NOW THEREFORE, for valuable consideration, receipt of which is hereby acknowledged, I have agreed to and do hereby sell, assign, and transfer unto said corporation our entire right, title, and interest in and throughout the United States of America (including its territories and dependencies) and all countries foreign thereto, in and to said invention, said application and any and all patents (including extensions thereof) of any country, which have been or may be granted on said invention or any part thereof, or on said application or any divisional, continuing, renewal, reissue, or other patent application, based in whole or in part thereon, and/or based upon said invention.

AND I do hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America to issue any and all United States Patents which may be granted upon said United States applications or any of them, or upon said invention or any part thereof, to said corporation.
