INVENTIONS AND TRADE SECRETS

IN CONSIDERATION of my employment by Inland Container Corporation of Indianapolis, Indiana, hereinafter called "Company", I hereby assign and agree to assign the Company, its successors or assigns, all my rights to any inventions, whether patentable or unpatentable, made or conceived solely or jointly with others (a) during the term of my employment, or (b) within one year from the termination of my employment, provided that such inventions fall within one or more of the following classes:

1. Inventions made or conceived in carrying out my employment;
2. Inventions made or conceived relating to any development undertaken, or which has been undertaken, by the Company and of which I become aware as a result of my employment;
3. Inventions made or conceived falling within the general classification of products manufactured or sold, or being considered for manufacture or sale, by the Company in its normal business;

I further agree, without charge to said Company, but at its expense, to execute, acknowledge and deliver all papers, including applications for patents, as may be necessary to obtain patents for said inventions in any and all countries of the world and to vest title in inventions including patents and patent applications herein assigned to the Company, its successors or assigns.

I agree to maintain all confidential information of the Company, and of customers and others to which I become privy in my employment, as trade secrets during my employment, and thereafter until such information becomes generally known, enters the public domain, or is disclosed to me by third parties having the right to make the disclosure.

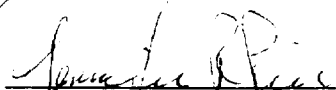

I have no interest in any patents or patent applications and am under no obligations of secrecy in connection with any inventions or developments within the scope of any of the above classes, except as set forth below.

I agree that the obligations hereunder shall be binding upon my heirs, assigns and legal representatives.
