Petersen, of 1888 El Cerrito Place, Hollywood, California 90068 and Cleve A. Graham, of 5870 Oak Knolls Road, Simi Valley, California 93063 do hereby sell, assign and transfer for the sum of one dollar (\$1.00) and other good and valuable consideration, receipt and sufficiency of which is hereby acknowledged, unto Spencer L. We request that any and all patents for said invention be issued to said assignee, his successors, assigns and legal representatives, or to such nominees as he may designate.

We agree that, when requested, we will, without charge to said assignee but at his expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title thereto to said assignee, his successors, assigns and legal representatives or nominees.

We hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any assignment, consent to file or like document which may be required in any country for any purpose and more particularly to establish proof of the right of the said assignee or nominee to claim the aforesaid benefit of the right of priority provided by the International Convention for the Protection of Industrial Property, as amended, or by any convention which may henceforth be substituted for it.

We covenant with said assignee, his successors, assigns and legal representatives, that the rights and property herein conveyed by this Assignment are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
