## **PATENT APPLICATION ASSIGNMENT**

Whereas, Stanford Telecommunications, Inc. (hereinafter "Assignor"), a corporation organized under the laws of the State of California, located and doing business at 1221 Crossman Avenue, Sunnyvale, California 94089, acquired by assignment the entire right, title and interest in U.S. Patent Application Serial No. 08/754,406, filed November 21, 1996, and any invention disclosed in said Patent Application;

Whereas, ITT Manufacturing Enterprises, Inc. (hereinafter "Assignee"), a corporation organized under the laws of the State of Delaware, located and doing business at 1105 North Market Street, Suite 1217, Wilmington, Delaware 19801, is desirous of acquiring the entire right, title and interest to said Patent Application and any invention disclosed therein;

NOW, THEREFORE, in consideration as set forth in §3.1 of the Asset Purchase Agreement by and between Assignor and Assignee and for other good and valuable consideration, the receipt of which is hereby acknowledged, Assignor hereby sells and assigns to Assignee, its successors and assigns, for the territory of the United States of America, the entire right, title and interest of Assignor in and to said invention and in and to the said Patent Application, and any and all divisions or continuations thereof, and in and to any Letters Patent that may be granted therefor together with any reissues, extensions or renewals thereof, and Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any patents for said inventions, or patents resulting therefrom, insofar as its interest is concerned to the said Assignee, as Assignee of the entire right, title and interest of Assignor.

Assignor also hereby sells and assigns to Assignee, its successors and assigns, the foreign rights in the invention disclosed in said Patent Application, in all patent-granting countries of the world, including the right to file applications and obtain patents for said invention in its own name in said countries, including all rights of priority under the terms of the International Convention for the Protection of Industrial Property, and further agrees to execute any and all patent applications, assignments, affidavits and any other papers in connection therewith necessary to perfect such patent rights.

Assignor further agrees that it will communicate to said Assignee or to its successors, assigns and legal representatives, any facts known to Assignor respecting any improvements, and at the expense of said Assignee, to testify in any legal proceedings, sign all lawful papers, execute all divisional, continuation, reissue and substitute applications, make all lawful oaths, and generally do everything possible to aid the said Assignee, its successors, assigns and

nominees to obtain and endorse proper patent protection for said inventions in all countries.
