## INTELLECTUAL PROPERTY SECURITY AGREEMENT

This INTELLECTUAL PROPERTY SECURITY AGREEMENT (this "Agreement") is dated as of October 1, 1999, by the undersigned (the "Obligor") and FIRST SOURCE FINANCIAL LLP, as Agent (the "Agent") for the Lenders under that certain Secured Credit Agreement dated as of the date hereof (the "Credit Agreement"; terms used but not otherwise defined herein shall have the respective meanings provided for in the Loan Agreement) among M&R Printing Equipment, Inc. (in such capacity, the "Borrower"), the Lenders and the Agent.

### W I T N E S S E T H:

WHEREAS, the Obligor (i) owns the patents and patent applications as set forth on Schedule 1 annexed hereto, and is a party to the patent licenses as set forth on Schedule 1 annexed hereto, (ii) owns the trademarks, trademark registrations, and trademark registration applications as set forth on Schedule 2 annexed hereto, and is a party to the trademark licenses as set forth on Schedule 2 annexed hereto and (iii) owns the copyrights, copyright registrations and copyright registration applications as set forth on Schedule 3 annexed hereto, and is a party to the copyright licenses as set forth on Schedule 3 annexed hereto;

WHEREAS, the Obligor has entered into a Security Agreement dated as of the date hereof (the "Security Agreement") with the Agent to secure the prompt payment and performance of the Borrower's obligations under the Credit Agreement and the Obligor's obligations under that certain Guaranty dated as of the date hereof made by the Obligor in favor of the Agent; and

WHEREAS, pursuant to the terms of the Security Agreement, the Obligor has granted to the Agent, for the benefit of Lenders, a security interest in substantially all the assets of the Obligor, including all right, title and interest of the Obligor in, to and under all now owned and hereafter acquired Intellectual Property, together with all proceeds thereof;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Obligor hereby agrees as follows:

1. The Obligor hereby grants to the Agent a continuing security interest in all of the Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Patents"), whether presently existing or hereafter created or acquired:

- (a) each patent and patent application of the Obligor therefor, including, without limitation, each patent and patent application of the Obligor referred to in Schedule 1 annexed hereto;
- (b) each patent license to which the Obligor is a party, including, without limitation, each patent license to which the Obligor is a party listed on Schedule 1 annexed hereto; and

- (c) all proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

2. Subject to Section 4 below, the Obligor hereby grants to the Agent a continuing security interest in all of the Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Trademarks"), whether presently existing or hereafter created or acquired:

- (a) each trademark, trademark registration and trademark registration application of the Obligor, including, without limitation, the trademarks, trademark registrations and trademark registration applications of the Obligor referred to in Schedule 2 annexed hereto and the goodwill associated therewith;
- (b) each trademark license to which the Obligor is a party, including, without limitation, each trademark license of the Obligor listed on Schedule 2 annexed hereto; and
- (c) all products and proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

3. The Obligor hereby grants to the Agent a continuing security interest in all of the Obligor's right, title and interest in, to and under the following (all of the following items or types of property being herein collectively referred to as the "Copyrights"), whether presently existing or hereafter created or acquired:

- (a) each copyright, copyright registration and copyright registration application of the Obligor, including, without limitation, the copyright, copyright registrations and copyright registration applications of the Obligor referred to in Schedule 3 annexed hereto;
- (b) each copyright license to which the Obligor is a party, including, without limitation, each copyright license to which the Obligor is a party listed on Schedule 3 annexed hereto; and
- (c) all products and proceeds of the foregoing, including, without limitation, proceeds of insurance policies thereon.

This security interest is granted in conjunction with the security interests granted to the Agent, for the benefit of Lenders, pursuant to the Security Agreement. The Obligor hereby acknowledges and affirms that the rights and remedies of the Agent with respect to the Patents, Trademarks and Copyrights made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

4. Notwithstanding anything herein to the contrary, this Agreement shall not operate as a sale, transfer, conveyance or other assignment to the Agent of any applications by the Obligor for a Trademark based on an intent to use the same if and so long as such application is pending and not matured into a registered Trademark (such pending applications which are based

on intent to use being hereinafter referred to collectively as "Intent-To-Use Applications"), but rather, if and so long as the Obligor's Intent-To-Use Application is pending this Agreement shall operate only to create a security interest for collateral purposes in favor of the Agent for the ratable benefit of the Lenders, on such Intent-To-Use Application as collateral security for the Liabilities.

5. In addition to, and not by way of limitation of, all other rights granted to the Agent and the Lenders under the Credit Agreement, this Agreement and all other Collateral Documents, as collateral security only for the complete payment when due of all Liabilities, the Obligor hereby, upon the maturity of the Liabilities or the earlier acceleration of any Liability in accordance with the Credit Agreement, and the exercise by the Agent of any or all of its rights or remedies with respect to any or all of the Collateral pursuant to the Security Agreement, sells, assigns, grants, conveys, transfers and sets over to the Agent, for the use and benefit of Lenders, any and all rights of the Obligor under any license and any license agreement with any other party, whether the Obligor is a licensor or licensee under such license agreement, and the right to prepare for sale, sell and advertise for sale all Collateral now or hereafter owned by the Obligor and now or hereafter covered by such license and agrees that it will not take any unreasonable action, or permit any unreasonable action to be taken by others subject to its control, including licensees, or fail to take any reasonable action, which could affect the validity or enforcement of the rights transferred to the Agent under this Agreement which rights are material to the conduct of the Obligor's business. The Obligor hereby covenants that, within ten (10) days thereafter, it will notify the Agent if any Patent described in subsection 1(a) hereof, Copyright described in subsection 3(a) hereof or Trademark described in subsection 2(a) hereof shall at any time hereafter become subject to any such license agreement and that, together with such notice, it will provide the Agent with full identification thereof and with such further documentation as the Agent may reasonably request to accomplish or assure the accomplishment of the purpose of this Section 5.

6. The Obligor hereby agrees that, upon the maturity of the Liabilities or the earlier acceleration of any Liability in accordance with the Credit Agreement, and the exercise by the Agent of any or all of its rights or remedies with respect to any or all of the Collateral pursuant to the Security Agreement, the Agent's right to use, on behalf of Lenders, all Patents, Copyrights and Trademarks as described above shall be worldwide, to the extent of the the Obligor's right to use the same, and without any liability for royalties or other related charges from the Agent or any Lender to the Obligor. The term of the collateral assignments and grant of security interest granted herein shall extend until the expiration of each of the Patents, Copyrights and Trademarks collaterally assigned hereunder, or until the Liabilities have been indefeasibly paid in full in cash and all commitments to lend thereunder terminated.

7. The Obligor represents and warrants that the United States and foreign Patents, Copyrights and Trademarks constitute all of the patents, patent applications, copyrights, copyright registrations, copyright registration applications, trademarks, trademark registrations, trademark registration applications and licenses with respect to any of the foregoing now owned by the Obligor. Within ten (10) days after the creation thereof, the Obligor shall identify in writing to the Agent all new applications for United States and foreign letters patent, copyright registrations and trademark registrations and licenses of the Obligor, which new applications,

patents, copyright registrations, trademark registrations and licenses shall be subject to the terms and conditions of the Credit Agreement and this Agreement.

[signature page follows]

IN WITNESS WHEREOF, the undersigned has caused this Agreement to be duly executed by its duly authorized officer as of October 1, 1999.

NUARC COMPANY, INC.
