ASSIGNMENT AND AGREEMENT

For value received, I, **Ian Macdonald Green**, of **96 Goldsmith Avenue, London, W3 6HW, England** hereby assign and transfer to **Central Research Laboratories Limited**, a **British corporation** of **Dawley Road, Hayes, Middlesex, UB3 1HH, England**, and its successors, assigns and legal representatives, the entire right, title and interest, for the United States of America, in and to certain inventions related to **APPARATUS FOR READING PERMANENTLY STRUCTURED MAGNETIC RECORDS**, described in a **United States National Stage Application** for Letters Patent of the United States of an international application filed as PCT international Application Number **PCT/GB98/00993** on **April 3, 1998**, executed by me of even date herewith, and all the rights and privileges in said application and under any and all Letters Patent that may be granted in the United States for said inventions; and I also concurrently hereby sell, assign and transfer to **Central Research Laboratories Limited** the entire right, title and interest in and to said inventions for all countries foreign to the United States, including all rights of priority arising from the application aforesaid, and all the rights and privileges under any and all forms of protection, including Letters Patent, that may be granted in said countries foreign to the United States for said inventions.

I authorize **Central Research Laboratories Limited** to make application for such protection in its own name and maintain such protection in any and all countries foreign to the United States, and to invoke and claim for any application for patent or other form of protection for said inventions, without further authorization from me, any and all benefits, including the right of priority provided by any and all treaties, conventions, or agreements.

I hereby consent that a copy of this assignment shall be deemed a full legal and formal equivalent of any document which may be required in any country in proof of the right of **Central Research Laboratories Limited** to apply for patent or other form of protection for said inventions and to claim the aforesaid benefit of the right of priority.

I request that any and all patents for said inventions be issued **Central Research Laboratories Limited** in the United States and in all countries foreign to the United States, or to such nominees as **Central Research Laboratories Limited** may designate.

I agree that, when requested, I shall, without charge to **Central Research Laboratories Limited** but at its expense, sign all papers, and do all acts which may be necessary, desirable or convenient in connection with said applications, patents, or other forms of protection.

Date: 28 October 1999
