ASSIGNMENT

WHEREAS, I, ANDREW D. MURDIN, citizen of Canada, residing at 146 Rhodes Circle, Newmarket, Ontario, Canada, L3X 1V2, have invented certain new and useful improvements in **TWO-STEP IMMUNIZATION PROCEDURE AGAINST CHLAMYDIA INFECTION**, for which invention I have executed an application for Letters Patent of the United States of America on February 8, 2000; and

WHEREAS, I verily believe myself to be the original, first and co-inventor of the invention set forth in said application for Letters Patent; and verily believe myself to be the original, first and co-inventor of the invention set forth in said application for Letters Patent together with Robert C. BRUNHAM; and

WHEREAS, CONNAUGHT LABORATORIES LIMITED, a company organized and existing under the laws of the Province of Ontario, sometimes referred to as "said assignee" having a place of business at 1755 Steeles Avenue West, North York, Ontario, Canada, M2R 3T4, are desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued thereon in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, in consideration of the sum of Ten Dollars (\$10.00). to me in hand paid by the said CONNAUGHT LABORATORIES LIMITED, and other good and valuable consideration, receipt of which is hereby acknowledged, I, the said Andrew D. Murdin, have sold, assigned, transferred and set over and do hereby sell, assign, transfer and set over unto the said assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof and all international priority rights associated therewith all to be held by me had this assignment not been made, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of all foreign

countries of the world to issue all Letters Patent relating to the foregoing rights to said assignee, its successors and assigns;

AND I further agree that I will promptly, upon request and without further compensation, do all lawful acts including the execution of all necessary documents, and the giving of testimony that in the opinion of the said assignee, its successors and assigns may be necessary or desirable for obtaining, sustaining, or reissuing United States and foreign Letters Patent relating to the foregoing assigned rights, and for perfecting, affirming, recording and maintaining the title of said assignee, its successors and assigns thereto, and that I will generally cooperate to the fullest extent in all matters pertaining to said invention and patents, and said assignee's title thereto.

IN WITNESS WHEREOF, I have hereunto set my hands and seal on this 8th day of February 2000

Andrew D. Murdin

On this 8th day of February, 2000, before me, the subscriber, personally appeared Andrew D. Murdin, to me known to be the same person described in and who executed the foregoing instrument, and he acknowledged that he executed the same.

ASSIGNMENT

WHEREAS, I, ROBERT C. BRUNHAM, citizen of Canada, residing at 620 West 17th Avenue, Vancouver, British Columbia, V5Z 1T8, have invented certain new and useful improvements in **TWO-STEP IMMUNIZATION PROCEDURE AGAINST CHLAMYDIA INFECTION**, for which invention I have executed an application for Letters Patent of the United States of America on January 26, 2000; and

WHEREAS, I verily believe myself to be the original, first and co- inventor of the invention set forth in said application for Letters Patent together with Andrew A. Murdin; and

WHEREAS, UNIVERSITY OF MANITOBA, an Institution of Higher Learning established under the laws of the Province of Manitoba, sometimes referred to as "said assignee" having a place of business at Winnipeg, Manitoba, Canada, R3T 2N2, are desirous of acquiring the entire and exclusive right, title and interest in and to said invention, any and all patent applications which may be filed thereon, and any and all Letters Patent which may be granted or issued thereon in the United States and throughout the world, including any and all divisions, continuations, reissues and extensions of any of the foregoing;

NOW, THEREFORE, in consideration of the sum of Five Dollar (\$5.00), to me in hand paid by the said UNIVERSITY OF MANITOBA, and other good and valuable consideration, receipt of which is hereby acknowledged, I, the said Robert C. Brunham, have sold, assigned, transferred and set over and do hereby sell, assign, transfer and set over unto the said assignee, its successors and assigns, the entire and exclusive right, title and interest in and to said invention, patent applications and Letters Patent which may be granted or issued for said invention in the United States and throughout the world, including all divisions, continuations, reissues and extensions thereof and all international priority rights associated therewith all to be held by me had this assignment not been made, and I hereby authorize and request the Commissioner of Patents and Trademarks of the United States and the duly constituted authorities of all foreign countries of the world to issue all Letters Patent relating to the

foregoing rights to said assignee, its successors and assigns;

I HEREBY represent and warrant that I have not granted any rights inconsistent with the rights granted herein.

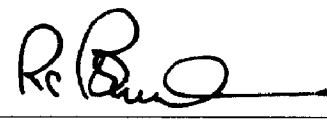

AND I FURTHER AGREE that I will promptly, upon request and without further compensation, do all lawful acts including the execution of all necessary documents and the giving of testimony that in the opinion of the said assignee, its successors and assigns, may be necessary or desirable for obtaining, sustaining or reissuing United States and foreign Letters Patent relating to the foregoing assigned rights and for perfecting, affirming, recording and maintaining the title of said assignee, its successors and assigns, thereto and that I will generally cooperate to the fullest extent in all matters pertaining to said invention and patents and said assignee's title thereto.

This assignment is subject to the Assignment Agreement executed between the parties dated August 12, 1996.

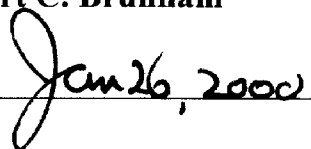

IN WITNESS WHEREOF, I have hereunto set my hand and seal on the date set out below.
