ASSIGNMENT AND AGREEMENT

Motorola, Inc., a corporation of the State of Delaware, having its principal office in Schaumburg, State of Illinois, United States of America (hereafter Assignor), is the owner of the entire interest in the below-listed Patents or applications. After review and inquiry by Motorola, the undersigned believes that title to such is held by Motorola, Inc., and assignment having previously been submitted to the assignment division of the Patent Office. The respective reel, frame and recorded dates are included.

For and in consideration of the sum of One Dollar to it in hand paid, and other good and valuable consideration, the receipt of which is hereby acknowledged, Motorola, Inc., a corporation of the State of Delaware, having its principal office in Schaumburg, State of Illinois, United States of America, sells, assigns and transfers unto Osram Sylvania Inc., a corporation of the State of Delaware, having its principal office at 100 Endicott Street, Danvers, Massachusetts 01923, United States of America (hereafter Assignee), the entire worldwide right, title and interest in and to the certain inventions relating to the below-listed Patents and applications described, illustrated and claimed in any and all applications for Letters Patent, including those in the United States of America, together with the right, title and interest in and to said applications, and in and to Letters Patents which may be issued upon said applications, and upon any division, extension, continuation, continuation in-part, reissue or reexaminations thereof, together with the right to sue for any past infringements thereof and to receive any past damages therefore.

Assignor hereby covenants that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment.

Assignor further covenants that Assignee will, upon its request, be provided promptly with all pertinent facts and documents relating to said invention and said Letters Patent and legal equivalents as may be known and accessible to Assignor and will testify as to the same in any interference, litigation or proceeding related thereto and will promptly execute and deliver to Assignee or its legal representatives any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof which may be necessary or desirable to carry out the purposes thereof.
