ASSIGNMENT OF HOLLOWAY PATENT

WHEREAS, CONTROLLED RECYCLING SERVICES, INC. (hereinafter referred to as ASSIGNOR), a corporation of the state of Delaware having a place of business at 144 South Donmoor Avenue, Baton Rouge, Louisiana 70806, is the owner of record of the inventions described and claimed in the patent and patent application set forth in SCHEDULE A annexed hereto and made a part hereof;

WHEREAS, WASTE ELUTRIATION TECHNOLOGIES, LTD (hereinafter referred to as ASSIGNEE), a corporation of the British Virgin Island having a place of business at c/o International Energy Corporation, 250 Hembree Park Drive, Suite 112, Roswell, Georgia 30076, is desirous of acquiring the entire right, title and interest in and to said patent and patent application set forth in SCHEDULE A, and in and to any and all patents that may be granted therefor in the United States and in any and all countries foreign to the United States;

NOW, THEREFORE, in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, ASSIGNOR hereby sells, assigns and transfers unto ASSIGNEE the entire right, title and interest in and to said invention, any and all letters patents which may be granted for said invention in the United States of America and its territorial possessions and in any and all foreign countries, said application, any and all letter patents which may be granted from said application in the United States of America and its territorial possessions and in any and all foreign countries, and said patent, as set forth in SCHEDULE A, and in any and all divisions, reissues and continuations thereof, including the right to file United States and foreign applications directly in the name of ASSIGNEE, and to claim priority rights deriving from the United States application set forth in SCHEDULE A to which said United States application is entitled by virtue of international convention, treaty or otherwise, said invention, application and all letters patents on said invention to be held and enjoyed by ASSIGNEE and its successors and assigns for their use and benefit and of their successors and assigns as fully and entirely as the same would have been held and enjoyed by ASSIGNOR had this assignment, transfer and sale not been made. ASSIGNOR hereby authorizes and requests the Commissioner of Patents and Trademarks, and any official of any country or countries foreign to the United States whose duty it is to record the rights to patents and patent applications and title thereto, to record the right to invention, application, and patent as set forth in SCHEDULE A as the property of ASSIGNEE, and to issue all letters patents on said invention to ASSIGNEE. ASSIGNOR agrees to execute all instruments and documents as may be required, for the making and prosecution of applications for United States and foreign letters patents on said invention, for the effective recordation of this transfer of rights in any and all countries, and to execute documents which may be required to establish ASSIGNEE as the owner of the invention, application, and letter patent as set forth in SCHEDULE A, for litigation regarding said invention, said application or said letter patent therefor, and

for the purpose of protecting title to said invention, said application or said letter patent therefor, in the United States or countries foreign to the United States.
