ASSIGNMENT

**I/We, AMP (Japan), Ltd.**

**who reside at Kawasaki Engineering Center, 3816 Noborito, Tama, Kawasaki, Kanagawa, 214-8533, Japan**

**have made certain inventions or discoveries (or both) set forth in a Patent Application in entitled**

**"Flexible Circuit Board Connecting Structure"**

**which application was executed by the inventors on February 29, 2000 and is identified by File Number 51364, and Japanese Patent Application No. 11-69548 filed on March 16, 1999**

**and The Whitaker Corporation**

**whose address is 4550 New Linden Hill Road, Suite 450, Wilmington, Delaware 19808, United States of America**

**and which, together with its successors and assigns is hereinafter called "Assignee", is desirous of acquiring the title, rights, benefits and privileges hereinafter recited, and of confirming the same or any part thereof heretofore acquired by Assignee.**

**Now, therefore, for valuable consideration furnished by Assignee to me/us, receipt and sufficiency of which I/we hereby acknowledge, I/we hereby, without reservation:**

1. **Assign and convey to and confirm in Assignee the entire right, title and interest in and to said inventions and discoveries, said Patent application in , any and all other applications for Letters Patent on said inventions and discoveries in whatsoever countries, including all divisional, renewal, substitute, continuation and Convention applications based in whole or in part upon said inventions or discoveries or upon said applications, and any and all Letters Patent and reissues and extensions of Letters Patent granted for said inventions and discoveries or upon said applications, and every priority right that is or may be predicated upon or arise from said inventions, said discoveries, said applications, and said Letters Patent;**

2. **Authorize Assignee to file patent applications in any or all countries on any or all of said inventions and discoveries in my/our names or in the name of Assignee or otherwise as Assignee may deem advisable, under the International Convention or otherwise;**

3. **Authorize and request the empowered officials of all governments to issue or transfer all said Letters Patent to Assignee, as assignee of the entire right, title and interest therein or otherwise as Assignee may direct;**

4. Warrant that I/we have not knowingly conveyed to others any right in said inventions, discoveries, applications or patents or any license to use the same or to make, use or sell anything embodying or utilizing any of said inventions or discoveries; and that I/we have good right to assign the same to Assignee without encumbrance;

5. Bind my/our heirs and legal representatives, as well as myself/ourselves, to do, upon Assignee's request and at its expense, but without additional consideration to me/us or them, all acts reasonably serving to assure that the said inventions and discoveries, the said Patent applications and the said Letters Patent shall be held and enjoyed by Assignee as fully and entirely as the same could have been held and enjoyed by me/us or my/our heirs or representatives if this assignment had not been made; and particularly to execute and deliver to Assignee all lawful application documents including petitions, specifications, and oaths, and all assignments, disclaimers, and lawful affidavits in form and substance as may be requested by Assignee; to communicate to Assignee all facts known to us relating to said inventions and discoveries or the history thereof; and to furnish Assignee with any and all documents, photographs, models, samples and other physical exhibits in our control or in the control of my/our heirs or legal representatives and which may be useful for establishing the facts of my/our conceptions, disclosures, and reduction to practice of said inventions and discoveries.

The effective date of this instrument is the 16th day of March, 1999.

In testimony whereof I/we have affixed my/our signatures.

Dated: March 16, 2000
