ASSIGNMENT

WHEREAS, I, **Maurice Edward George Maton**, a British subject, residing at Busketts House, Busketts Way, Ashurst, Hants S040 7AE, Great Britain has made an invention which invention is claimed and described in an application for Letters Patent of the United States of America entitled, "**BURNER**" and the application for United States Patent based thereon executed by me on the 1<sup>st</sup> day of January, 2000 (PCT/GB99/01919; filed 16 June 1999); and

\*

WHEREAS, **Graveson Energy Management Ltd.**, having a place of business at Keer Bridge House, Warton, Carnforth, Lancashire LA5 9HA, Great Britain, a corporation organized and existing under the laws of Great Britain, are desirous of acquiring the entire right, title and interest in and to the invention and in and to any Letters Patent that may be granted therefor;

NOW, THEREFORE, for good and valuable consideration, the receipt of which is hereby acknowledged, I the undersigned party by these presents do sell, assigned and transfer unto **Graveson Energy Management Ltd.** its successors and assigns the full, exclusive and worldwide right to the said invention including the United States of America, and the entire right, title and interest in, to and under any Letters Patent which may be granted on said invention, or any parts thereof, or on any continuation, division or reissue thereof in the United States of America, in the territorial possessions of the United States of America and in any country foreign to the United States of America, the same to be held and enjoyed by **Graveson Energy Management Ltd.**, its successors and assigns as fully and entirely as the same would have been held by me, had this assignment not been made.

And I hereby authorize and request the Commissioner of Patents and Trademarks of the United States of America and respective Patent Office officials in any country foreign to the United States of America to issue said Letters Patent to said **Graveson Energy Management Ltd.** as the assignees of my entire right, title and interest in, to and under the same, and I hereby further authorize **Graveson Energy Management Ltd.** to apply for Letters Patent in my name or in its own name, as it in its sole discretion sees fit, utilizing any benefits which may exist under any International Agreement, in any country foreign to the United States of America.

\*Now U.S. Serial No.: 09/485,502 filed February 10, 2000

And I, do hereby agree for myself and for my heirs, executors and administrators to execute any lawful document and to testify as to any material fact or thing which **Graveson Energy Management Ltd.** its successors and assigns may deem necessary in order to secure unto itself, its successors and assigns the full right, title and interest in and to and the full enjoyment of said invention or any part thereof and any Letters Patent, the same to be done without any further consideration.

IN WITNESS WHEREOF, I hereby set my hand and affix my seal this 15<sup>th</sup> day of March, 2000.

**Maurice Edward George Maton**
