ASSIGNMENT

I, JILL A KRISER, a citizen of the United States of America, residing at 7854 Colonial Village Row, Annandale, Virginia 22003 (hereinafter "Assignor"), have invented certain new and useful improvements entitled:

GOLF CLUB GRIP AND GLOVE RAIN SHIELD

for which United States Patent Application Serial Number 09/262,594 was filed on March 5, 1999 (hereinafter "Patent Application").

KRISER ENTERPRISES, LLC, a limited liability company, duly organized under the laws of the Commonwealth of Virginia, having a place of business at 2525 Lakevale Drive, Vienna, Virginia 22181 (hereinafter "Assignee") is desirous of acquiring the entire right, title and interest to the Patent Application and the invention disclosed, described and claimed therein, for the United States of America and all countries foreign thereto, and to all Letters Patent to be issued for said invention in the United States of America and all countries foreign thereto; and all reissue and reissues, extension or extensions, or continuation or continuations, or continuation-in-part or continuations-in-part, or division or divisions of such Letters Patent.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, be it known that for good and valuable consideration, Assignor has sold, assigned, and transferred, and hereby sells, assigns, and transfers to Assignee, its successors, assigns or other legal representatives, the entire right, title and interest to the Patent Application, and the invention disclosed, described and claimed therein, for the United States of America and all countries foreign thereto, and to all Letters Patent to be issued for said invention in the United States of America and all countries foreign thereto; and all reissue and reissues, extension or extensions, continuation or

continuations, continuation in part or continuations-in-part, or division or divisions of such Letters Patent; and the same to be held by Assignee, its successors, assigns, or other legal representatives, for its own use to the full end of the term or terms for which such Letters Patent may be granted, reissued or extended as fully and entirely as the same would have been held by Assignor, if this assignment and sale had not been made.

Assignor hereby authorizes and requests the Commissioner of Patents to issue any and all Letters Patent covering the invention to Assignee as the owner of the entire right, title and interest to the Patent Application and invention.

Assignor agrees that she will at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title to the Patent Application, the invention, or any other such Letters Patent that may be granted therefor, in Assignee, its successors, assigns, or other legal representatives, and that if Assignee, its successors, assigns or other legal representatives, desire to secure a reissue, extension, continuation, continuation-in-part, or division of any such Letters Patent, Assignor will upon request, sign all papers, make all rightful oaths, and do all legal acts necessary for application of such reissue, extension, continuation, continuation-in-part, or division and the procuring thereof, but at the expense of Assignee, its successors, assigns, or other legal representatives.

Assignor further agrees that she will, at any time, upon request, communicate to Assignee, its successors, assigns or other legal representatives, any facts relating to the Patent Application, the invention and any Letters Patent, or to the history thereof known to her, and will testify to the same in any interference or litigation, when requested to do so.

IN WITNESS WHEREOF, Assignor has set her hand and seal this 13 day of

March, 2000.

JILL A. KRISER
