## ASSIGNMENT

In consideration of One Dollar and other good and valuable considerations, the receipt and sufficiency whereof are hereby acknowledged, the undersigned hereby **assign to IOWA STATE UNIVERSITY RESEARCH FOUNDATION, INC.**, an Iowa corporation, having an address of 310 Lab of Mechanics, Ames, Iowa 50011-2031, its successors and assigns, the entire right, title and interest in the invention disclosed in an application for Letters Patent of the United States, filed on even date herewith, entitled APPARATUS AND METHOD FOR ON-LINE BARKHAUSEN MEASUREMENT, said application and any and all other applications for United States Letters Patent, which the undersigned may file, either solely or jointly with others, on said invention, and in any and all Letters Patent of the United States which may be obtained on any of said applications, and in any divisional, continuation, substitute, reissue or extension thereof.

The undersigned hereby **authorize and request** the Commissioner of Patents to issue said Letters Patent to said assignee, IOWA STATE UNIVERSITY RESEARCH FOUNDATION, INC.

For said considerations the undersigned hereby **agree**, upon the request, and at the expense of said assignee, its successors and assigns, to execute any and all divisional, continuation and substitute applications for said invention, and any necessary oath or affidavit relating thereto, and any application for the reissue or extension of any Letters Patent that may be granted upon said application, and for the said considerations the undersigned further agree upon the request of said assignee, its successors or assigns, in the event of any application or Letters Patent assigned herein becoming involved in interference, to cooperate to the best of the ability of the undersigned with said assignee, its successors or assigns in the matter of preparing and executing the preliminary statement and giving the producing evidence in support thereof, the undersigned hereby agreeing to perform, upon request, any and all affirmative acts to obtain said Letters Patent of the United States and vest all rights therein hereby conveyed in the said assignee, its successors and assigns, whereby said Letters Patent will be held and enjoyed by the said assignee, its successors and assigns to the full end of the term for which said Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by the undersigned if this assignment and sale had not been made.

And for said considerations the undersigned hereby **assigns to said assignee, its successors and assigns, the entire right, title and interest** in said invention for any and all foreign countries and **agree** upon the request of assignee, its successors and assigns, to execute any and all documents that the undersigned shall be requested to execute in connection with any and all applications for foreign Letters Patent, therefore, including the prosecution thereof, and to execute any and all documents necessary to vest title in said foreign applications and patents in assignee.
