RELEASE OF SECURITY Interest IN INTELLECTUAL PROPERTY

AGREEMENT, dated as of October 1, 1999 by and between Bear Archery, Inc., a Delaware corporation, (the "Grantor"), and Société Générale, a French banking organization acting through its New York branch (the "Lender").

WHEREAS, pursuant to the terms of the Loan and Security Agreement dated as of December 30, 1997 among the Grantor, HRC Properties, Inc. and the Lender, as amended from time to time and now in effect (the "Loan Agreement"), the Grantor and the Lender entered into an Intellectual Property Security Agreement dated as of December 30, 1997, as amended from time to time and now in effect (the "Security Agreement"), pursuant to which the Grantor, in order to secure the payment, performance and observance of the Grantor's obligations to the Lender under the Loan Agreement, granted the Lender a security interest in all of the Grantor's Intellectual Property Collateral (as defined in the Security Agreement); and

WHEREAS, the Grantor has requested that the Lender release its security interest in the Intellectual Property Collateral.

NOW THEREFORE, in order to induce the Lender to release its security interest in the Intellectual Property Collateral and in consideration thereof and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Grantor and the Lender agree as follows:

1. Pursuant to the Security Agreement, the Grantor has assigned to the Lender for collateral purposes and has granted to the Lender a security interest in, among other things, the Intellectual Property Collateral.
2. The Lender hereby releases its security interest in the Intellectual Property Collateral.
3. The Security Agreement and all of the obligations of the parties thereto are hereby canceled and terminated, except for those provisions which, by their terms, survive the repayment of the obligations secured by the Security Agreement and the termination of the Security Agreement.
4. The Lender hereby agrees to execute and deliver, at the expense of the Grantor, all such other instruments and other documents and take such further actions as may be necessary to carry out the release of the Intellectual Property Collateral, including cancellation of the Security Agreement by written notice, executed on behalf of the Lender, to the U.S. Patent and Trademark Office and the U.S. Copyright Office.
5. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original, but all of which together shall constitute but one and the same instrument.
6. This Agreement shall be governed by the laws of the State of New York without regard to principles of conflicts of laws.
