ASSIGNMENT OF APPLICATION

We, Mark J. Aberton, Cory W. Anderson, Michael H. Bourne, and E. Marc Mariani, are citizens of the United States whose residence and post office addresses are 8828 Sunridge Drive, Sandy, Utah 84093; 5041 South 4620 West, Kearns, Utah 84118; 2592 Haven Lane, Salt Lake City, Utah 84117; and 2319 East Field Rose Drive, Salt Lake City, Utah 84121, respectively, have invented systems and methods entitled "APPARATUS AND METHODS FOR EXERCISING BODY APPENDAGES" (hereinafter called the "invention").

Embodiments of said invention are disclosed in a United States patent application executed concurrently herewith by us and now identified as File No. 1343 P of PARSONS BEHLE & LATIMER, One Utah Center, 201 South Main Street, Suite 1800, Post Office Box 45898, Salt Lake City, Utah 84145-0898, and filed in the United States Patent and Trademark Office on _____, Application Number _____. (We hereby authorize Wesley L. Austin to insert said application number and filing date when known.)

The Assignee, Physician Therapy Supply, L.C., a Utah limited liability company having a principal place of business at 5041 South 4620 West, Kearns, Utah 84118, desires to secure the entire right, title and interest in said invention.

For good and valuable consideration paid to us by the Assignee, the receipt and sufficiency of which we hereby acknowledge, WE HEREBY ASSIGN TO THE ASSIGNEE:

The entire right, title, and interest in said invention; in the above-identified United States patent application, and in all divisions, continuations and continuations-in-part of said application, and all reissues and extensions of Letters Patent and Patents granted thereon; in all corresponding applications filed in countries foreign to the United States; and in all patents issuing thereon in the United States and foreign countries.

The right to file foreign patent applications on said invention in its own name, wherever such right may be legally exercised, including the right to claim the benefits of the International Convention for such applications.

We hereby authorize and request the United States Commissioner of Patents and Trademarks, and such Patent Office officials in foreign countries as are duly authorized by their laws to issue patents, to issue any and all patents on said invention to the Assignee as the owner of the entire interest, for the sole use and benefit of the said Assignee, its successors, assigns, and legal representatives.

We hereby agree, without further consideration and without expense to us, to sign all lawful papers and to perform all other lawful acts which the Assignee may request of us to make this Assignment fully effective, including, by way of example but not of limitation, the following:

Prompt execution of all original, divisional, substitute, reissue, and other United States and foreign patent applications on said invention, and all lawful documents requested by the Assignee to further the prosecution of any of such patent applications.

Cooperation to the best of our ability in the execution of all lawful documents, the production of evidence, nullification, reexamination, reissue, extension, or infringement proceedings involving said invention.

This assignment and agreement shall be binding upon our heirs and legal representatives.
