ASSIGNMENT

WHEREAS, I, David D. Dering, a citizen of the United States and a resident of Conastoga, Pennsylvania, have made an invention entitled "FOLDING DATA DISC HOLDER" for which I have executed an application for United States Letters Patent on the 12th day of December, 1999; and I hereby authorize my attorneys, authorized to prosecute said application, to here insert the filing date and serial number of said application, when known:

Filed: 01/05/2000 Serial No. 09/478,065

WHEREAS, I represent and warrant that I am the sole owner of said invention and application for Letters Patent;

WHEREAS, 3OG, Inc. (hereinafter referred to as ASSIGNEE), a corporation organized under the laws of the State of Texas, U.S.A., having a place of business at 2314 N. River Hills Road, Austin, Texas 78733-2129 is desirous of acquiring a fifty percent (50%) interest in said invention and application;

NOW, THEREFORE, for and in consideration of One Dollar (\$1.00) and for other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged by me, I have assigned, sold, transferred and set over and by these presents do assign, sell, transfer and set over unto said ASSIGNEE fifty percent (50%) of the entire right, title and interest in and to (a) said invention and worldwide rights therein; (b) said application, including all divisions, continuations and substitutions thereof; and (c) all United States and foreign patents which shall issue on said invention, including all reissues, renewals and extensions thereof, for the United States, its territories and possessions and all foreign countries.

I represent and covenant that no assignment, mortgage, sale, license, pledge, encumbrance or alienation of said invention or patent application has been or will be made or entered into which would conflict with this assignment and sale.

I HEREBY declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

IN TESTIMONY WHEREOF, I have duly executed this assignment this 12th day of December, 1999.

David D. Dering
