**TERMINATION AND RELEASE
OF COLLATERAL ASSIGNMENT OF PATENTS**

This Termination and Release of Collateral Assignment of Patents is granted and conveyed as of this 9th day of March, 2000, by UBS AG, a public company limited by shares incorporated in Switzerland, acting through its London Branch, having a principal address at 1 Finsbury Avenue, London, England (successor in interest to Union Bank of Switzerland) ("UBS"), in favor of TETLEY USA INC. (formerly known as Tetley, Inc.), a Delaware corporation, having a principal address at 100 Commerce Drive, Shelton, Connecticut ("Tetley USA").

WHEREAS, pursuant to a certain Collateral Assignment of Patents (Security Agreement) dated July 28, 1995 and a certain Amendment of Collateral Assignment of Patents dated January 13, 1997 (collectively, the "Collateral Assignments"), Tetley USA granted Union Bank of Switzerland, UBS's predecessor in interest, a security interest in certain Patents, including the patents listed on Schedule A attached hereto ("Patents") and recorded such security interests with the United States Patent and Trademark Office on August 7, 1995 at Reel 7577, Frame 12-20 and on January 14, 1997 at Reel 8307, Frame 117-126 respectively;

WHEREAS, Tetley USA granted Union Bank of Switzerland, UBS's predecessor in interest, such security interest to secure its obligations to Union Bank of Switzerland as set forth in and governed by a certain Credit Agreement dated June 28, 1995 among The Tetley Group Limited ("Tetley Group"), certain subsidiaries and affiliates of Tetley Group, the Banks (as defined therein), the Co-Arrangers (as defined therein) and Union Bank of Switzerland, as Lead Arranger, Agent and Security Agent (as defined therein) ("Credit Agreement"); and

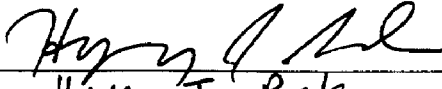

WHEREAS, Tetley USA has satisfied all obligations to Union Bank of Switzerland, and to UBS, as successor in interest to Union Bank of Switzerland, under the Credit Agreement and Tetley USA is desirous of recording this instrument to confirm and evidence termination and release of the security interests of UBS, as successor in interest to Union Bank of Switzerland, in the Patents.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacies of which the parties hereby acknowledge, UBS agrees as follows:

1. UBS, on behalf of itself (and as successor in interest to Union Bank of Switzerland), its successors and assigns and as Lead Arranger, Agent and Security Agent (as defined in the Credit Agreement), hereby terminates and releases all security interests in, to and under the Patents and all divisions, continuations, continuations-in-part or reissues thereof.
2. UBS also hereby re-assigns to Tetley USA all of its right, title and interest in and to the Patents, including the goodwill of the business symbolized by the Patents, the right to sue for past, present and future infringement of the Patents, and all other rights, title and interest granted to UBS under the Collateral Assignments, as successor in interest to Union Bank of Switzerland.

3. UBS hereby authorizes and requests the appropriate government officials, whose duty it is to record security interests, to record the release and termination of all security interests in the Patents by UBS, on behalf of itself (as successor in interest to Union Bank of Switzerland), its successors and assigns, and as Lead Arranger, Agent and Security Agent (as defined in the Credit Agreement).
