ASSIGNMENT

WHEREAS, WE, **Howard E. Jackson**, a citizen of the United States, residing at 555 Howell Avenue, Cincinnati, Ohio 45220-4905, and **Din Ping Tsai**, a citizen of Taiwan, residing at 7F-2, 21, Chien Kuo Rd., West District, Taichung, Taiwan 403 (hereinafter referred to as "ASSIGNORS"), have invented a **Method and System for Local Index Measurement in Optical Materials**, for which we have executed an application for Letters Patent of the United States, on December 3, 1999 which was assigned Serial No. 09/454,281; and

WHEREAS, **University of Cincinnati**, a nonprofit organization existing under the laws of the State of Ohio, (hereinafter referred to as "ASSIGNEE"), is desirous of acquiring the entire interest therein:

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, we, said ASSIGNORS, hereby sell, assign, and transfer and set over, unto said ASSIGNEE, its successors, legal representatives and assigns, the entire right, title and interest in, to and under said invention, and said United States application and all divisions, renewals, and continuations thereof, and all Patents of the United States which may be granted thereon and all reissues, reexaminations and extensions thereof; and all applications for industrial property protection, including, without limitation, all applications for patents, utility models, and designs which may hereafter be filed for said invention in any country or countries foreign to the United States, together with the right to file such applications and the right to claim for the same the priority rights derived from said United States application under the Patent Laws of the United States, the International Convention for the Protection of Industrial Property, or any other international agreement or the domestic laws of the country in which any such application is filed, as may be applicable; and all forms of industrial property protection, including, without limitation, patents, utility models and designs which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, reexaminations and reissues thereof;

ASSIGNORS HEREBY authorize and request the Commissioner of Patents and Trademarks of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents or other evidence or forms of industrial property protection on applications as aforesaid, to issue the same to said ASSIGNEE, its successors, legal representatives and assigns, in accordance with the terms of this instrument.
