ASSIGNMENT

For valuable consideration, I, Thomas L. Atwell of Escondido, California and a citizen of the USA (hereinafter referred to as "Assignor") hereby assigns to Analyser Systems AG, a corporation organized and existing under and by virtue of the laws of the Country of Switzerland and having its principal place of business at Untermüli 9, CH-6302 Zug, Switzerland, and its successors and assigns (collectively hereinafter called "the Assignee"), the entire right, title and interest throughout the world in the invention and improvements which are the subject of an application for United States Patent filed herewith, U.S. Serial No. Yet to be assigned and related applications and patents, entitled METHOD AND APPARATUS FOR MULTI-PARAMETER DIGITAL PULSE PILEUP REJECTION, this assignment including said application, any and all United States and foreign patents granted for any of said inventions or improvements, including all divisions, continuations, reissues, continuations-in-part and extensions thereof, and the right to claim priority based on the filing date of said application and based on the filing date of any provisional application of which said application claims the benefit under the International Convention for the Protection of Industrial Property, the Patent Cooperation Treaty, the European Patent Convention, and all other treaties of like purposes; and I authorize the Assignee to apply in all countries in my name or in its own name for patents and like rights of exclusion and for inventor's certificates for said inventions and improvements; and I agree for myself and my heirs, legal representatives and assigns, without further compensation, upon request to perform such lawful acts, to promptly provide Assignee with all pertinent facts and documents relating to said invention or application as may be known and accessible to me, to testify in any interference or litigation related to said invention or application and to sign such further applications, assignments, Preliminary Statements and other lawful documents as the Assignee may reasonably request to effectuate fully this Assignment.

The Assignor hereby covenants that no assignment, sale, agreement, or encumbrance has been or will be made or entered into which would conflict with this Agreement.

WITNESS my hand at Escondido, California,

this 24 day of April, 2000.
