WHEREAS, we, Rolf BRANDENBERGER; Knut Finn GARSHOL; Tom Arild MELBYE; and Peter Alexander SCHUBERT (hereafter "Assignor" including Assignor's heirs, executors, administrators and legal representatives), all citizens of Switzerland, Norway, Norway and Austria, respectively, and residing, respectively, at Oberengstringen, Switzerland; Tomter, Norway; Wettswil, Switzerland, and Anthering, Austria, respectively, have invented one or more inventions (hereinafter referred to as "said invention(s)") disclosed in an application for Letters Patent of the United States titled WATERPROOF CLADDING (hereinafter referred to as "said application"), said application having been executed by Assignor on same date as the respective date Assignor executed this Assignment, said application being the National Phase filing of PCT/EP99/04407 filed on 24 June 1999.

WHEREAS, MBT Holding AG, a Switzerland company (hereinafter together with its successors and assigns referred to as "the Assignee"), and having a place of business at Vulkanstrasse 110, CH-8048 Zurich, Switzerland, is desirous of obtaining all right, title and interest in and to said invention(s) and said application in the United States of America; and

NOW, THEREFORE, for good and valuable considerations, the receipt and sufficiency of which we hereby acknowledge, Assignor has sold, assigned and transferred, and by these presents sells, assigns and transfers to the Assignee all right, title and interest in and to said invention(s) and in and to said application in the United States of America, including the right to apply for any Letters Patent of the United States of America on said invention(s), and any and all other applications for Letters Patent on said invention(s), including all divisional, renewal, substitute, continuation, and continuation-in-part applications based in whole or in part upon said invention(s) or upon said application, and any and all Letters Patent which may issue thereon, in the United States of America, and any and all reissues, extensions, renewals, divisions, continuations or continuations-in-part of Letters Patent granted for said invention(s) or upon said applications, to the full term or terms for which said Letters Patent may be issued, and every priority right that is or may be predicated upon or arise from said invention(s).

Assignor hereby authorizes the Commissioner of Patents and Trademarks of the United States of America to issue or transfer all said Letters Patent to the Assignee as assignee of all right, title and interest therein or otherwise as the Assignee may direct, in accordance with this instrument of assignment.

Assignor hereby represents and warrants that there are no rights or interests outstanding inconsistent with the rights and interests granted herein, and that Assignor will not execute any instrument or grant or transfer any rights or interests inconsistent with the rights and interests granted herein, and Assignor agrees to execute and deliver to the Assignee any further documents or instruments and do any and all further acts that may be deemed necessary by the Assignee to file applications for said invention(s) in any
