ASSIGNMENT AND AGREEMENT

For value received and intending to be legally bound, we, the undersigned joint inventors (Assignors), sell, assign and transfer to RHÔNE-POULENC RORER S.A. (Assignee), having a principal place of business at 20 Avenue Raymond Aron, 92165 Antony Cedex, FRANCE, and its successors, assigns and legal representatives, the entire right, title and interest in and to our invention relating to

Compounds, Preparation and Use for Transferring Nucleic Acids Into Cells

as disclosed and claimed in and to the application for United States Letters Patent therefor, assigned Attorney Docket No. ST97006-US filed on _____ as Serial No. _____ as the U.S. national stage of PCT Serial No.

PCT/FR98/01041 filed in the French Receiving Office on May 25, 1998, and under any and all Letters Patent which may be granted therefor, and all right, title and interest in and to every patent application filed or to be filed on said invention in the United States, including renewals, revivals, continuations, divisions and any substitute applications of said United States application, and any and all patents which may issue thereon, and any reissues and extensions of the same.

We authorize and request competent authorities to grant and issue any and all patents on said invention to said assignee or its successors, assigns and legal representatives, or to such nominees as said assignee may designate.

We agree that, when requested, we will, without charge to said assignee but at its expense, sign all papers, take all rightful oaths, and do all acts which may be necessary, desirable or convenient for securing and maintaining patents for said invention in any and all countries and for vesting title thereto in said assignee, its successors, assigns, legal representatives or nominees.

We covenant with said assignee, its successors, assigns and legal representatives, that the rights and property herein conveyed are free and clear of any encumbrance, and that we have full right to convey the same as herein expressed.
