WHEREAS, I, Igor Balabine, residing at 11063 Bel Aire Court, Cupertino, California 95014, have made an invention entitled:

METHODS AND APPARATUS FOR SECURING ACCESS TO A COMPUTER and have made an application for United States Letters Patent therefor, the same being assigned U.S. patent application Serial No. 09/538,860 with a filing date of March 29, 2000; and

WHEREAS, NETFISH TECHNOLOGIES, INC., a corporation organized and existing under the laws of the State of California and having an address of 2350 Mission College Blvd., Suite 650, Santa Clara, California 95054, is desirous of acquiring the entire interest in said invention, said United States patent application and in any Letters Patent which may issue thereon;

NOW, THEREFORE, be it known that for and in consideration of the sum of One Dollar (\$1.00) paid, and other good and valuable consideration, the receipt of sufficiency of which is hereby acknowledged, I do hereby sell, assign and transfer unto the said NETFISH TECHNOLOGIES, INC., its successors, assigns and legal representatives, all right, title and interest in and to said invention and any improvements thereon for all countries of the world, and in and to said United States patent application, including any continuations, continuations-in-part and divisions thereof, and any substitute applications therefor, and including the right to claim priority under the International Convention based on said patent application, and any patent which may issue thereon, and any reissues of the same; and all right, title and interest in and to every patent application filed or to be filed on said invention in any other country, including

renewals, revivals, continuations and divisions thereof, and any substitute applications therefor, and any and all patents which may issue thereon, and any reissues and extensions of the same;

and I hereby authorize and request competent authorities to grant and issue any and all patents on said invention to the said NETFISH TECHNOLOGIES, INC. as the assignee of the entire interest therein; and I further agree to execute upon request of the assignee such additional documents, if any, as are necessary and proper to secure patent protection on said invention throughout all countries of the world, and to otherwise give full effect to and perfect the rights of the assignee under this Assignment.

IN TESTIMONY WHEREOF, I have hereunto signed my name on the date indicated hereinafter.
