CORRECTION OF PATENT ASSIGNEE

I am an official authorized to sign on behalf of Royce Medical Company, and my name and title are set forth below next to my signature.

The above-captioned patent issued on application Serial No. 09/021,497. The '497 application was assigned by the inventors to Royce Medical Products, and the assignments were recorded with the Patent Office on February 10, 1998 at Frame 8937, Reel 824-83.

The designation of the assignee in the assignments was incorrect, a clerical error. The assignee should have been listed in the assignment papers as Royce Medical Company and not Royce Medical Products. Royce Medical Products at the time of the assignments and currently is a fictitious business name for Royce Medical Company.

Royce Medical Company (and not Royce Medical Products as set forth in the assignment papers) is a corporation organized and existing under the laws of the State of California and having a place of business at 742 Pancho Road, Camarillo, California 93012.

Accordingly, correction of the assignment records in the U.S. Patent and Trademark Office to indicate the correct name of the assignee of the above-captioned patent as Royce Medical Company is respectfully requested.

I declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true. I make these statements with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under 18 U.S.C. § 1001, and that such willful false statements may jeopardize the validity of this patent.
