SAIC Docket No.: PO7 34474
U.S. Patent Application S.N.: 08/826,088
Filing Date: 03/24/97
U.S. Patent No.:
Issue Date:

Foreign patent applications filed or intended to be filed at Science Applications International Corporation's (SAIC) expense: None

WHEREAS, SAIC owns the entire right, title and interest in and to the above-identified invention in the United States and for all foreign countries;

WHEREAS, SAIC desires to assign said invention to the Government of the United States (Government) as represented by the U.S. Department of Energy (DOE);

WHEREAS, the Government as represented by DOE has made a determination to accept an assignment and other rights and the government and SAIC desire to make record certain of assignment and other rights in and to said invention and in and to any Letters Patent wheresoever that may be issued thereon; and

NOW, THEREFORE, to all whom it may concern be it known that for and in consideration of 1(one) dollar and for other good and valuable consideration, the receipt of which is hereby acknowledged, SAIC hereby does the following:

- (1) SAIC assigns to the Government the entire right, title and interest in and to said invention in the United States, and in and to any and all United States patent applications file thereon, and in and to any and all resulting United States Letters Patent which may be granted thereon.
- (2) SAIC assigns to the Government the entire right, title and interest in and to said invention in the all foreign countries, and in and to any and all foreign patent applications file thereon, and in and to any and all resulting foreign patents secured thereon in all foreign countries.
- (3) SAIC agrees to make, execute, and deliver to the Government, or to DOE, any and all papers, documents affidavits, renewal, divisional and reissue applications, statements or other instruments in such usual or other forms, terms and contents as may be required by DOE, or its duly authorized representatives, in or incident to the prosecution or conduct of any and all applications, before as well as after the issuance of any Letters Patent thereon, or in the adjustment or settlement of any interferences or other actions or proceedings that said applications may encounter or in which they may become involved, and to provide reasonable assistance to the Government as may be requested by DOE or its assigns, except that any expenses arising through extending such assistance will be paid for by proper arrangement with the Government.
- (4) SAIC agrees that any obligation of SAIC to the inventors arising from this invention, any patent application thereon and any resulting patent shall remain the obligation of SAIC and SAIC agrees to hold the Government harmless from any such obligation, such as but not limited to royalty sharing or meritorious payments or any other obligation arising from an inventor's employment contract with SAIC.

- (5) SAIC agrees, unless otherwise direct in writing by the DOE Patent Counsel, to send all documents, notices, instruments, reports, and any all other papers to the DOE Patent Counsel at the following address:
