ASSIGNMENT

WHEREAS, (1) CRAIG COLVIN, of San Jose, California; (2) TED DRAKE, of San Jose, California; (3) JASON DENNER, of Trout Lake, Washington; and (4) I-CHIANG SUN, of Portland, Oregon (collectively Inventors") have invented certain new and useful improvements in **DESIGN FOR FOLIO COMPUTER AND INFORMATION APPLIANCE** for which invention an application for Design Patent of the United States has been filed November 8, 1999 as Serial No. 29/113,602 in the United States Patent and Trademark Office.

WHEREAS, **VADEM**, a California corporation having its principal place of business at **1960 Zanker Road, San Jose, CA 95112**, (hereinafter referred to as assignee) is desirous of acquiring the entire right, title, and interest in and to said invention, said application and the Letters Patent to be obtained therefor;

Now, therefore, for and in consideration of One Dollar and other good and valuable considerations, to said Inventors in hand paid, the receipt and sufficiency whereof are hereby acknowledged, said Inventors have sold, assigned, and set over and by these presents do hereby sell, assign, and set over unto the said **VADEM** and said assignee's legal representatives, successors and assigns, the entire right, title, and interest in and to said invention, said application, and the Letters Patent, both foreign and domestic, that may or shall issue thereon; and said Inventors do hereby authorize and request the Commissioner of Patents and Trademarks to issue said Letters Patent to the above-mentioned assignee agreeably with the terms of this assignment.

Upon said consideration, said Inventors convey to said assignee the right to make application in its own behalf for protection of said invention in countries foreign to the United States and where expedient to claim under the International Convention or other international arrangement for any such application the date of the said United States application (or other application if any there be) in priority to other applications; and said Inventors hereby covenant and agree with the said assignee that they will not execute any writing or do any act whatsoever conflicting with these presents, and that said Inventors will at any time upon request, without further or additional consideration, but at the expense of the said assignee, execute such additional assignments and other writings and do such additional acts as said assignee may deem necessary or desirable to perfect the assignee's enjoyment of this grant, and render all necessary assistance in making application for and obtaining original, divisional renewal, reissued
