and DON H. BERNHARDT, a citizen of the United States of America, residing at

_____, hereby sell, assign, transfer and
convey unto LEAR CORPORATION, a corporation duly organized under the laws of Delaware,
its successors, assigns and legal representatives (hereinafter called the "Assignee"), our entire
right, title and interest, for the United States and its territorial possessions, and in any and all
foreign countries, in and to certain inventions which we have invented relating to a VEHICLE
SEAT as described in an Application for Patent No. 09/516,537 filed with the United States Patent
and Trademark Office on or about March 1, 2000, having Attorney Docket No. 72514, and in and
to said application, any patent applications claiming priority to said application, and all divisions,
renewals, and continuations thereof, and all Letters Patent of the United States which may be
granted thereon, and all reissues and extensions thereof, and all other lawful forms of protection
for said inventions in the United States and its territories, and in any and all foreign countries.

AND, to comply with 37 CFR 3.21 for recordal of this assignment in the U.S. Patent and
Trademark Office, we hereby authorize and request our attorney to insert above the filing
information when it becomes known.

AND we authorize and empower the said Assignee or nominees to invoke and claim for
any application for patent or other form of protection for said inventions filed by it or them, in the
United States and its territories and in any and all foreign countries, the benefit of the right of
priority provided by any international convention or agreement including, but not limited to, the
Paris Convention for the Protection of Industrial Property, as amended, the Patent Cooperation

Treaty, as amended, or by any convention which may henceforth be substituted therefor, and to invoke and claim such right of priority without further written or oral authorization from us.

AND we hereby consent that a copy of this assignment shall be deemed a full and legal formal equivalent of any assignment, consent to file or like document which may be required in the United States for any purpose and more particularly in proof of the right of said Assignee or nominees to claim the aforesaid benefit of the right of priority provided by any international convention or agreement.

AND we hereby covenant that we have the full right to convey our entire right, title and interest herein assigned and that we have not executed and will not execute any agreement in conflict herewith.

AND we hereby covenant and agree that we will communicate to said Assignee or nominees all facts known to us pertaining to said inventions, and reasonably assist in all legal proceedings, sign all lawful papers, execute all divisional, continuing and reissue applications, make all rightful oaths and declarations and in general perform all lawful acts necessary or proper to aid said Assignee or nominees in obtaining, maintaining and enforcing all lawful patent protection and any other lawful form of protection for said inventions in the United States and its territorial possessions and in any and all foreign countries.
