PATENT ASSIGNMENT

THIS ASSIGNMENT is made by Diacom Corporation, a New Hampshire corporation (the "Assignor"), to Diacom Corporation, a Delaware corporation (the "Assignee").

WHEREAS, Assignor has agreed to assign certain assets to Assignee including the patents listed on Schedule A.

NOW, THEREFORE, for good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor does hereby sell, assign, transfer and convey to Assignee its right, title and interest in and to the patents listed on Schedule A and all foreign counterparts thereof (the "Rights"), including all inventions and improvements described and claimed therein; all patentable inventions; all reissues, divisions, continuations, renewals, extensions and continuations-in-part of any of the foregoing; all income, royalties, damages or payments now and hereafter due and/or payable under any of the foregoing with respect to any of the foregoing, including, without limitation, damages or payments for past or future infringements of any of the foregoing; and the right to sue for past, present and future infringements of any of the foregoing throughout the world. All such Rights are to be held and enjoyed by Assignee for its own use and enjoyment, and for the use and enjoyment of Assignee's successors and assigns to the full end of the terms for which such Rights may be granted as fully and entirely as the same would have been held and enjoyed by Assignor if this assignment, transfer, conveyance and sale had not been made.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks to issue any and all letters patent of the United States on inventions or resulting from applications included within the Rights to Assignee, and hereby covenants that it has full right to convey its interest herein assigned, and that it has not executed, and will not execute any agreement in conflict herewith.

This Patent Assignment is delivered pursuant to, on the terms of, and subject to the representations and warranties set forth in, that certain Asset Purchase Agreement dated as of the same date as this Patent Assignment among the Assignor, the Assignee, Gartland Whalley and Barker B.V., a Netherlands company and certain of the shareholders of Assignor.
