ASSIGNMENT

ASSIGNMENT made by Dalal Hibri, of San Antonio, County of Bexar, State of Texas

Dalal Hibri hereby assigns and transfers to Dalco Products, Inc., a Texas corporation having offices at 740 Lincoln Center, 7800 I.H. 10 West, San Antonio, Texas 78230 ("Dalco"), its successors and assigns, the entire legal right, title and interest in the inventions herein, and in any divisions or continuations thereof, and any Letters Patent obtained for the said invention in the United States and foreign countries, or issuing out of any such division or continuation thereof, and any reissues or extensions of any such Letters Patent.

In consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is here acknowledged, Dalal Hibri hereby sells, assigns and transfers the entire right, title and interest in: **Hair Shaping Apparatus With Electrically Heated Rollers** and the invention therein as set forth in her application for United States Patent therefor, executed on 12/23/1997, and in and to said application and any divisions or continuations thereof, and any Letters Patent obtained for the said invention in the United States and foreign countries, or issuing out of said application or any such division or continuation thereof, and any reissues or extensions of any such Letters Patent.

The Commissioner of Patents is hereby authorized and requested to issue Letters Patent for said invention to Dalco, as assignee of the entire right, title and interest therein.

Dalal Hibri hereby covenants she has full right to convey the entire right, title and interest in said invention, and that she has not executed and will not execute any agreement in conflict herewith.

Dalal Hibri further covenants that she will, at any time, upon request, execute and deliver any and all papers that may be necessary or desirable to perfect the title in said Hair Shaping Apparatus With Electrically Heated Rollers, to said invention or any Letters Patent that may be granted therefor, and if Dalco, or its assignee, desire to make a substitute, divisional or continuation application for said invention, or to secure a reissue or extension of said Letters Patent, to file a disclaimer relating thereto, or an application for a corresponding patent in any foreign country, that she will upon request, sign all papers, make all rightful oaths, and do all lawful acts requisite for the said purposes, but at the expense of Dalco.

Dalal Hibri further hereby acknowledges that the entire beneficial interest in the invention to which the above application relates is irrevocably vested in the assignee including the right to make the application for protection in all countries abroad and to claim priority under the International Convention for such applications and hereby assent to the making of any such applications, with or without priority claims, and of any divisional application resulting therefrom.

And, Dalal Hibri further covenants that she will at all times communicate to Dalco, its successor, assigns or legal representatives, all facts relating to said invention and Letters Patent, or the history thereof, known to him, and testify as the same in interferences or other litigation, when requested so to do.

I hereby authorize the above-mentioned assignee or the attorney of record to insert in this instrument the filing date, serial of my said application:
