***RESPONSE TO SECOND NOTICE OF NONRECORDATION***

**BOX ASSIGNMENTS**

Assistant Commissioner of Patents  
Washington, DC 20231

July 24, 2000

Sir:

On December 6, 1999, Applicants filed a paper requesting recordation of a change of address of the Assignee of the above-identified patent application. On March 13, 2000, the USPTO issued a Notice of Non-Recordation of Document, indicating that the change of address had not been recorded. The reason for the non-recordation is indicated as:

1. The cover sheet submitted for recording is not acceptable. An execution date must be indicated for each conveying party.

Applicants responded to this notice on April 18, 2000, with a letter explaining that there was no conveyance, only a request that a letter indicated the change of address be recorded. In reply, the USPTO issued another Notice of Non-Recordation on

**PATENT**  
**REEL: 010823 FRAME: 0382**

June 27, 2000, indicating in the second instance that there was no document to be recorded.

Applicants have thus spoken with Ms. Allyson Purnell of the Assignments Division and discovered that, contrary to the indications in both Notices of Non-Recordation the initial problem was simply that the effective date of the address change had not been indicated on the Cover Sheet.

Accordingly, Applicants resubmit here a corrected cover sheet bearing the correct information (i.e. effective date of the address change) and the document ID number of the instrument to be recorded. Also provided are a letter showing the change of address, together with a copy of the Assignment referenced in the letter, which is the "document to be recorded".

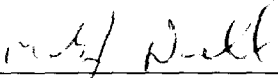

Applicants note that the Assignment to which the request applies has been identified adequately in the letter to be recorded as the Assignment "recorded at Reel 8201, Frames 624-627."

**Accordingly, Applicants respectfully request that the above identified documents be recorded.** The original bar-coded Request for Recordation with the attached letter providing the Assignee's new address is returned herewith for recordation. The fee for recordation of the document was paid December 6, 1999, as indicated at the lower left of the bar-coded Request for Recordation.

If necessary, the Commissioner is hereby authorized in this, concurrent, and future replies, to charge payment or credit any overpayment to Deposit Account No. 02-2448 for any additional fees required under 37 C.F.R. §§1.16 or 1.17; particularly, extension of time fees.

Respectfully submitted,

BIRCH, STEWART, KOLASCH & BIRCH, LLP
