ASSIGNMENT

For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each undersigned inventor has sold and assigned, and by these presents hereby sells and assigns, unto:

Zellweger Analytics Limited of Hatch Pond House, 4 Stinsford Road, Nuffield Estate,
Poole, Dorset BH17 0RZ, United Kingdom

(hereinafter ASSIGNEE) all right, title and interest for the United States, its territories and possessions in and to his invention relating to:

Housing for Flammable Gas Detector

as set forth in his United States Patent Application

...X... executed concurrently herewith

..... executed on

...X... Serial No. 09/485,756 filed February 15, 2000

in and to said United States Patent Application including any and all divisions renewals and continuations thereof in and to any and all Letters Patent of the United States which may issue on any such application or for said invention, including any and all reissues reexaminations and extensions thereof, to be held and enjoyed by said ASSIGNEE, its successors, legal representatives and assigns to the full end of the term or terms for which any and all such Letters Patent may be granted as fully and entirely as would have been held and enjoyed by the undersigned had this Assignment not been made.

Each of the undersigned hereby authorizes and requests the Commissioner of Patents & Trademarks of the United States of America to issue any and all such Letters Patent to said ASSIGNEE, its successors or assigns in accordance herewith.

Each of the undersigned warrants and covenants that he has the full and unencumbered right to sell and assign the interests herein sold and assigned and that he has not executed and will not execute any document or instrument in conflict herewith.

Each of the undersigned covenants and agrees that at any time upon reasonable request of and at the cost of said ASSIGNEE, its successors, legal representatives or assigns, he will communicate to said ASSIGNEE, its successors, legal representatives or assigns all information known to him relating to said invention or patent application and that he will execute and deliver any papers, make all rightful oaths, testify in any legal proceedings and perform all other lawful acts deemed necessary or desirable by said ASSIGNEE, its successors, legal representatives or assigns to perfect title to said invention, to said application including divisions and continuations thereof and to any and all Letters Patent which may be granted therefor or thereon, including reissues renewals or extensions, in said ASSIGNEE, its successors, or assigns or to assist said ASSIGNEE, its successors, legal representatives or assigns in obtaining, reissuing or enforcing

Letters Patent of the United States for said invention.

Each of the undersigned hereby authorizes the firm of Andrus Scales Starke & Sawall LLP to insert in this Assignment any further identification which may be necessary or desirable to comply with the rules of the U.S. Patent and Trademark Office for recordation of this Assignment.
