ASSIGNMENT
(Joint Inventors)

WHEREAS, we, **Steven Foster**, and **Holly Giangrande** (hereinafter referred to as Assignors), residing respectively at **1619 Hillside Lane, Rochester Hills, MI 48307**; and **2279 Garry, Troy, MI 48083**; have invented new and useful improvements in:

VEHICLE WITH LARGE PLANAR COMPOSITE PANELS

which is set forth in an application for Letters Patent in the United States executed on even date herewith; Attorney Docket No. 60,130-783

AND WHEREAS, **Meritor Heavy Vehicle Technology, LLC**, a Delaware limited liability company having offices at **2135 Maple Road, Troy, MI 48084** (hereinafter referred to as Assignee), is desirous of acquiring the entire right, title and interest in and to said invention and said Letters Patent of the United States, and in and to any Letters Patent or Patents, United States or foreign, to be obtained therefor and thereon:

NOW, THEREFORE, be it known by all whom it may concern, that for and in consideration of One Dollar (\$1.00) and other good and valuable consideration, the receipt of which is hereby acknowledged, the Assignors have assigned, sold and set over, and by these presents assign, sell and set over unto the Assignee, its successors, legal representatives and assigns, for the territory of the United States of America and all foreign countries, the entire right, title and interest in and to said invention, said application for Letters Patent, including the right to file and prosecute foreign patent applications corresponding to said application in foreign patent offices, and the right to claim the priority date of said United States patent application and any legal equivalents thereof, and any and all Letters Patent or Patents in the United States of America and all foreign countries which may be granted therefor and thereon, and to any and all divisions, continuations, and continuations-in-part of said application, or re-issues or extensions of said Letters Patent or Patents prepared and executed by Assignors on even date herewith, the same to be held and enjoyed by the Assignee, as fully and entirely as the same would have been held by the Assignors had this Assignment and sale not been made.

AND the Assignors hereby covenant and agree that the Assignors will at any time upon the request and at the expense of the Assignee execute and deliver any and all papers and do all lawful acts that may be necessary or desirable to perfect the title to said invention and to obtain Letters Patent therefor, and the Assignors hereby authorize and request the Commissioner of Patents to issue said Letters Patent to the said Assignee in accordance with this Agreement.
