ASSIGNMENT

WHEREAS, I, Laurie J. Stevens, hereinafter referred to as the "Inventor", a citizen of the United States of America, whose Post Office address is 4995 Carthage Way, Oak Park, California 91377, has invented certain new and useful improvements in

STEERING WHEEL COVER

as described and set forth in an application for Letters Patent of the United States of America which is found in U.S. Patent Application Serial No. 29/116201 filed on December 28, 1999;

AND WHEREAS, Quaker State Investment Corporation, hereinafter referred to as the "COMPANY," a Delaware corporation having a place of business at 700 Milam, Houston, Texas 77002, is desirous of acquiring or confirming its acquisition of the entire right, title and interest in and to said invention, inventions or improvements, and in and to said application, and in and to any and all patents, both of the United States and of all foreign countries, that may be obtained therefor;

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN, BE IT KNOWN, that I the Inventor, for good and valuable considerations, the receipt and sufficiency of which are hereby acknowledged, have sold, assigned, transferred and conveyed, and by this Assignment do sell, assign, transfer and convey, unto said COMPANY, its successors and assigns, the entire right, title and interest throughout the world in and to my invention, inventions or improvements described or set forth in said application, in any form or embodiment thereof; and in and to said application; and in and to applications under the provisions of any convention or treaty; and in and to any confirmation, divisional, continuation, continuation-in-part, or substitute application which may be filed on said invention, inventions or improvements in the United States or in any foreign country; and in and to any and all patents, certificates, utility models, reissues, extensions, additions or confirmations thereof which may be granted in the United States or in any foreign country upon said invention, inventions or improvements;

TO HAVE AND TO HOLD the same to the full end of the term or terms for which any and all such United States and foreign patents and grants may be issued on said invention, inventions or improvements;

AND I do hereby authorize and request the issuing authority to issue any and all of said United States and foreign patents on said application or applications to said COMPANY, its successors and assigns, as the assignee of the entire right, title and interest in and to the same for the sole use and benefit of said COMPANY, its successors and assigns;

AND I do hereby covenant and warrant that I have full right to convey the entire right, title, and interest herein assigned free and clear of all licenses, encumbrances and liens whatsoever, and that I have not executed and will not execute any instruments in conflict herewith;

AND I, for the conditions aforesaid, do hereby covenant and agree to and with the said COMPANY, its successors and assigns, that I, my executors, administrators or other personal representatives, shall and will do all lawful acts and things, make all rightful oaths, and make, execute and deliver any and all other instruments in writing, and any and all further applications, papers, powers, affidavits, assignments, disclaimers and other documents, which in the opinion of counsel for said COMPANY, its successors and assigns, may be required or necessary in this or in any foreign country more effectually to secure to and vest in said COMPANY, its successors and assigns any improvements, application or applications, patents, rights, titles, benefits, privileges, and advantages hereby sold, assigned, confirmed, transferred and conveyed.

IN WITNESS WHEREOF, I have hereunto set my hand this 8th day of Feb, 2000.
